Start Your Adventure

Attend the College of Agriculture Study Abroad Information Session
The College of Agriculture hosts an information session early each academic year, typically in September, for students interested in international experiences. Contact your academic advisor or the Dean’s Office for dates and times.

Attend a Study Abroad 101 Session
Study Abroad 101 is a general information session on Tuesdays from 5:30 to 6:00pm, Wednesdays 5:30 to 6:00pm, and Thursdays 11:30am to 12:00pm. Just stop by the Study Abroad Office in 304 Fairchild Hall to attend.

Contact a Study Abroad Advisor
Make an appointment with a Study Abroad Advisor by calling the Study Abroad Office at (785) 532-5990 or emailing us at Overseas@k-state.edu.

Contact Your Academic Advisor
Make an appointment with your Academic Advisor to discuss coursework. Be prepared to share specific course descriptions with your Academic Advisor in order to complete an Academic Approval Form.

Apply for a Program
Visit our website at k-state.edu/studyabroad/apply or meet with a Study Abroad Advisor to learn how to apply.

Ex:ch to Programs

Exchange programs allow students to pay in-state tuition and fees for fifteen credits of courses taken at universities abroad.

**Brisbane, Australia** $18,651.00*
University of Queensland

Brisbane is one of the world's most livable cities and only a short distance away from the Great Barrier Reef. It's also the home of one of Australia's top universities, the University of Queensland, which features a broad range of coursework to satisfy the needs of all Agricultural Economics and Agribusiness majors. A minimum 3.0 GPA is required.

**Dublin, Ireland** $14,651.00*
University College Dublin

The UCD exchange program features outstanding learning and research opportunities at one of the top-ranked institutions in the world. UCD has established a long and distinguished tradition of service to scholarship and to the community. Students may take courses, or "modules," in such fields as food and agribusiness management and agricultural and natural resource policy.

**Sydney, Australia** $16,506.30*
University of Sydney

Situated in one of Australia's most dynamic cities, the world-renowned University of Sydney offers the opportunity to study, live, and learn at the cutting edge of Australian life and culture. The institution regularly stands among the Top 100 universities in the world, with its strong coursework in multiple disciplines, from agriculture and economics to general education. A minimum 3.0 GPA is required.

\*All listed costs are estimates that include tuition, fees, insurance, housing, and food for one semester abroad. Courses are taught in English, unless otherwise noted. Programs are subject to change. For a complete searchable database of all exchange and other programs, visit k-state.edu/studyabroad.

**Go Abroad on a Budget!**

Compare the estimated average* budget for a semester at K-State with the cost of a program to get a sense of how much more—or, sometimes less—you may pay if you study abroad. And don’t forget to apply for any of our many scholarships!

**International Food and Agribusiness Tour of China Faculty-Led Program, Summer 2013**

**Faculty-Led Programs**

Each year, departments within the College of Agriculture sponsor group study tours to countries around the globe. Agriculture students also participate in other trips sponsored by other colleges and universities. To learn about current programs and apply, visit https://ksu.studloabroad.com/?go=FacultyLed. Past programs included:

**Agriculture and Food Processing in Southern Africa**

An eighteen-day study tour of the fundamentals of agriculture and food processing in Mozambique and South Africa. Students analyzed the contrasting natures of the Southern African farm and food sectors and learned about opportunities for partnerships that benefit Mozambique, South Africa, and the U.S.

**International Food and Agribusiness Tour of Brazil**

A ten-day intensive Agricultural Economics study tour that introduced students to the agriculture industry in Brazil, including livestock and crop production and management practices, food markets, agribusinesses, government operations, as well as other historical and cultural educational opportunities.

**International Food and Agribusiness Tour of China**

An eleven-day intensive Agricultural Economics study tour that introduced students to the agriculture industry in China, including livestock and crop production and management practices, food markets, agribusinesses, government operations, as well as other historical and cultural educational opportunities.

**United Kingdom Study Tour**

An eleven-day study tour that introduced students to UK agriculture including its livestock and crop sectors, food markets, government policy, as well as other historical and cultural points of interest.

---

**Summer Programs**

**Prague, Czech Republic** $3,312.00*
Czech University of Life Sciences

This four-week summer program features classes in agricultural economics, rural development, and Czech language and culture. This program includes many excursions to Czech farms, including a five-day study tour and a weekend stay with a family. No prior knowledge of Czech is necessary, as all courses are taught in English.

**Toulouse, France** $7,940.00*
École Supérieure d’Agriculture, Purpan

In the on-campus program in June, students take classes in English on topics including European animal production and crop production and food processing. Students will also take intensive French courses. In July, students may participate in a four-week internship program in animal production, agro-tourism, plant production, or vineyards/wineries. The program includes many cultural excursions and outings to agricultural production sites. No prior knowledge of French is necessary.

**Various Locations**

Cost varies by location

Join an International Service Team (IST) with the K-State School of Leadership Studies. You can participate in a spring semester course coupled with a service project involving issues like health, education, the environment, and youth development during an eight to ten week stay abroad during the summer. Contact the School of Leadership Studies for more information.

For more information, contact Cherie Hodgson in the Department of Agricultural Economics in 434 Waters Hall or by email to cherie.hodgson@ksu.edu.
