The mission of the College of Human Ecology is to prepare students for successful careers through the integration of research, teaching, and service. The College of Human Ecology offers a range of undergraduate and graduate programs that prepare individuals for leadership roles in a variety of fields. The College is committed to promoting and fostering interdisciplinary collaboration across the disciplines, and to providing a diverse and inclusive environment for learning and engagement.

**Courses Offered**
- Human Ecology
- Family Studies
- Child Development
- Food Science
- Interior Design
- Apparel, Textiles, and Fashion

**What Should I Go Abroad?**

**Service-Learning Abroad**
- Study abroad programs offer students the opportunity to engage in service-learning projects, which can include volunteering, community service, and cultural immersion experiences. These programs provide students with valuable experiences that can enhance their academic and personal development.

**Funding**
- Financial aid is available to students who demonstrate financial need. Students are encouraged to apply for aid through the FAFSA (Free Application for Federal Student Aid) and other appropriate resources.

**Discover the World! Discover Yourself!**

**Start Your Adventure**

**Attend Study Abroad 101**
Study Abroad 101 is a general information session hosted by the Study Abroad Office on Tuesdays from 5:30 to 6:00 pm, Wednesdays from 5:30 to 6:00 pm, and Thursdays from 11:30 am to 12:00 pm. Stop by to find out about available programs and scholarships.

**Contact a Study Abroad Advisor**
If you have questions, make an appointment with a Study Abroad Advisor. You may call the Study Abroad Office at (785) 532-5990 or email us at overseas@k-state.edu.

**Contact Your Academic Advisor**
Make an appointment with your Academic Advisor to discuss coursework. Be prepared to share specific course descriptions with your Academic Advisor in order to complete an Academic Approval Form.

**Apply for a Program**
Visit our website at k-state.edu/studyabroad/apply or meet with a Study Abroad Advisor to learn how to apply.

Exchange Programs

Exchange programs allow students to pay in-state tuition and fees for courses taken at universities abroad for a semester or academic year.

**Canberra, Australia**
- University of Canberra
  - Study fashion, design, and marketing in the Australian capital! The University of Canberra has a vivid campus with many options for ATIID students. The campus is beautifully situated between the heart of the nation's capital and the beauty of Australia bushland and native wildlife. It offers quality, career-oriented programs in fashion, among many other fields, and a strong focus on academic excellence.
  - Cost: $12,566.00*

**Hong Kong, Hong Kong S.A.R., China**
- Hong Kong Polytechnic University
  - Hong Kong Polytechnic University sits at the beating heart of Kowloon, one of the oldest and most exciting neighborhoods in Hong Kong. This urban campus features English-language courses in apparel and textiles, as well as courses in Mandarin or Cantonese. Its program is fully equipped with large workspaces and the most recent design technology; in the spring semester, AT students may even participate in a fashion show. Learn new skills in the glimmering, diverse metropolis of Hong Kong while you sample countless dimensions of East Asian culture.
  - Cost: $11,696.00*

**Hatfield, England, United Kingdom**
- University of Hertfordshire
  - An hour from London, the University of Hertfordshire gives you the best of both worlds: an active university town and easy access to the bustle of London. ATIID majors may find specialized coursework to fit their requirements as well as a great deal of general education or elective courses. Hertfordshire is a very competitive program, so students should have at least a minimum GPA of 3.0 to apply.
  - Cost: $12,835.00*

*All costs are estimates that include tuition, fees, insurance, housing, and food for one semester or summer, if noted above.

Direct Enroll Programs

Direct enroll programs provide additional options for students, and tuition and fees are paid directly to the partner university.

**Copenhagen, Denmark**
- Danish Institute for Study Abroad (DIS)
  - With over fifty years of experience, the Danish Institute for Study Abroad features many well-respected programs in a variety of human ecology and arts and sciences fields. Interior Design students, in particular, may benefit from studying in this mecca of Scandinavian design. Copenhagen combines small-city and historic charm with modern sophistication and sustainability, making it one of the happiest cities anywhere. DIS features both summer and semester-long programs.
  - Summer: $5,570.00*
  - Semester: $5,795.00*

**Florence, Italy**
- Lorenzo de Medici Institute
  - The Lorenzo de Medici Institute (or LDI) is one of the most popular programs for K-States and certainly features strong coursework and opportunities for ATIID students. With its main campus in the historic and charming city of Florence, and smaller campuses in Rome and Tuscania, LDI offers all of its coursework in English, except for its Italian-language classes. Students may satisfy both major requirements as well as general education or elective classes with LDI's wide catalog. LDI also features summer programs in addition to semester-long opportunities; students must have at least a minimum GPA of 2.8 to apply.
  - Summer: $4,025.00*
  - Semester: $11,825.00*

**London, England, United Kingdom**
- Regent's University London
  - Formerly known as American Intercontinental University (AIU), Regent's University London is one of the best academic fits for AT majors. Much of its coursework mirrors K-State's curriculum, making it easy to choose equivalent classes. Regent's also features summer programs in addition to its semester-long options, including one summer program that travels between London and Paris.
  - Summer: $8,316.35*
  - Semester: $13,936.06*

Program Providers

Program providers organize study, internship, or service-learning programs abroad that offer additional assistance. These programs are offered for various lengths of time during the year and provide a more structured experience, often with cultural activities and excursions.

**Academic Programs International (API)**
- API offers a selection of programs in Europe, Latin America, and the Middle East. For the most current program details, visit www.apistudyabroad.com.

**International Studies Abroad (ISA)**
- ISA organizes programs in East Asia, Europe, Latin America, and the Middle East. For the most current program details, visit www.internationalsabroad.com.

**SAI**
- SAI initially developed programs in Italian locations like Florence, Milan, Siena, Sorrento, and Rome, but now runs programs in London and Barcelona. For the most current program details, visit www.saiabroad.com.

**Semester at Sea**
- Semester at Sea features semester programs that travel around the globe in which you can take a variety of general education courses. For the most current program details, visit www.semesteratsea.org.

**University Studies Abroad Consortium (USAC)**
- USAC facilitates many programs abroad in Africa, Australia and the Pacific, East Asia, Europe, Latin America, and the Middle East. For the most current program details, visit usac.unr.edu.

Internships and Service Learning Programs

Get out of the classroom! Internships and service-learning programs abroad allow you to deepen your immersion in another culture or language as well as provide hands-on experience that can help distinguish you on the job market.

**eLap by ISA**
- Combine an internship with study abroad by interning before, during, or after a study abroad program. Participants can also intern independently from study abroad or participate in a volunteer group project. Choose a program ranging from 4 to 12 weeks during a semester, summer or intensive month. Earning academic credit is also a possibility with some programs. For prices and more information, visit studiessabroad.com/elap/.

World Endeavors

World Endeavors helps participants find internships that best fit their personal and professional goals. Programs are usually a minimum of 2 or 3 months long, and are offered in Africa, Asia, Australia and the Pacific, Europe, and Latin America. Interns also have the opportunity to earn academic credit upon completing an internship. For the most current program details, visit www.worldendeavors.com.
