Discover the World: Discover Yourself!

Start Your Adventure

Attend Study Abroad 101
Study Abroad 101 is a general information session hosted by the Study Abroad Office on Tuesdays from 3:30 to 6:00 pm, Wednesdays 5:30 to 6:00 pm, and Thursdays 11:30 am to 12:00 pm. Stop by to find out about available programs and scholarships.

Contact a Study Abroad Advisor
If you have questions, make an appointment with a Study Abroad Advisor. You may call the Study Abroad Office at (785) 532-5990 or email us at overseas@k-state.edu.

Contact Your Academic Advisor
Make an appointment with your Academic Advisor to discuss coursework. Be prepared to share specific course descriptions with your Academic Advisor in order to complete an Academic Approval Form.

Apply for a Program
Visit our website at k-state.edu/studyabroad/apply or meet with a Study Abroad Advisor to learn how to apply.

Discover the world! Discover yourself!
**Biology Abroad**

**Exchange Programs**

Exchange programs allow students to pay in-state tuition and fees for courses taken at universities abroad.

**Perth, Australia**
University of Western Australia

The University of Western Australia (UWA) is one of the top universities in the world, with over 24,000 undergraduate and graduate students in all disciplines, including many in the biological sciences. UWA's location on the beautiful Swan River in the heart of Perth offers an exciting combination of urban life and international flavor.

$17,151.00*

**Sydney, Australia**
University of Sydney

Situated in one of Australia's most dynamic cities, the University of Sydney offers you the opportunity to study biology and many other fields at one of the top-ranked universities in the world, all while living at the cutting edge of Australian culture. A minimum 3.0 GPA is required.

$16,805.05*

**Graz, Austria**
University of Graz

For more than 400 years, the University of Graz has been an important influence in Central Europe. Many famous scientists have worked here, making it a prime location to study biology and the natural sciences. Although most courses are in German, a wide range of subjects are taught in English. The equivalent of two years of college German is desirable if you want to follow courses in German.

$14,716.00*

**San José, Costa Rica**
Universidad de Costa Rica

One of the oldest universities in Latin America, the Universidad de Costa Rica in the national capital of San José offers strong biology courses nearby wild rainforests and volcanoes. You will need at least Level 4 competency in Spanish to enroll in and take courses.

$11,181.00*

---

**Clermont-Ferrand, France**
Université Blaise Pascal

Université Blaise Pascal is a school well known for the quality of its teaching and research in many disciplines, including biology, the other natural sciences, and the arts and humanities. Most courses are taught in French, although some are in English, so proficiency in French is recommended.

$14,678.00*

**Bangkok, Thailand**
Mahidol University International College

One of the best universities in Thailand and Southeast Asia, Mahidol University started as a school for health professions but now features broader English-language coursework in biology, the natural sciences, and the social sciences. Study at this serene campus only a half-hour from the bustling of modern Bangkok.

$8,851.00*

**Istanbul, Turkey**
Boğaziçi University

An American founded Boğaziçi University in 1863 as an English-speaking institution. Today, all courses for its 10,000 students are in English, including many in biology. With its warm Mediterranean climate and stunning location straddling the continents of Asia and Europe, Istanbul is one of the most historic cities in the world—a must-see for any global traveler.

$13,100.00*

**Hatfield, England, United Kingdom**
University of Hertfordshire

Heriot-Watt University is a vibrant institution with strong, world-class instruction that has made it one of the top UK universities for biology and other fields. Students love HWU—its a friendly student community on a beautiful campus with easy access to all of Edinburgh. The city itself is historic and culturally rich, renowned for its many festivals, green spaces, and active nightlife.

$14,681.00*

---

*All listed costs are estimates that include tuition, fees, insurance, housing, and food for one semester abroad. Courses are taught in English, unless otherwise noted.

---

**Program Providers**

Program providers organize study, internship, or service-learning programs abroad that offer additional assistance. These programs are offered for various lengths of time during the year and provide a more structured experience, often with cultural activities and excursions.

**Academic Programs International (API)**

Academic Programs International (API) offers a selection of programs in Europe, Latin America, and the Middle East. For more information, visit www.apistudyabroad.com.

**International Studies Abroad (ISA)**

International Studies Abroad (ISA) organizes programs in East Asia, Europe, Latin America, and the Middle East. For more information, visit www.isabroad.com.

**SAI**

SAI initially developed programs in Italian locations like Florence, Milan, Siena, Sorrento, and Rome, but now runs programs in London and Barcelona. For more information, visit www.saiprograms.com.

**Semester at Sea**

Study abroad—and abroad! Semester at Sea features semester programs that travel around the globe in which you can take a variety of general education courses. For more information, visit www.semesteratsea.org.

**University Studies Abroad Consortium (USAC)**

University Studies Abroad Consortium (USAC) facilitates many programs abroad in Africa, Australia and the Pacific, East Asia, Europe, Latin America, and the Middle East. For more information, visit usacstudyabroad.edu.

---

**Internships and Service Learning Programs**

Get out of the classroom! Internships and service-learning programs abroad allow you to deepen your immersion in another culture or language as well as provide hands-on experience that can help distinguish you on the job market.

**eLAP by ISA**

Combine an internship with study abroad by interning before, during, or after a study abroad program. Participants can also intern independently from study abroad or participate in a volunteer group project. Choose a program ranging from 4 to 12 weeks during a semester, summer or intensive month. Earning academic credit is also a possibility with some programs. For prices and more information, visit studiesabroad.com/elap/.

**World Endeavors**

World Endeavors helps participants find internships that best fit their personal and professional goals. Programs are usually a minimum of 2 or 3 months long, and are offered in Africa, Asia, Australia and the Pacific, Europe, and Latin America. Interns also have the opportunity to earn academic credit upon completing an internship. For more information, visit www.worldendeavors.com.

---

"This is one experience I highly suggest EVERY student take a chance with. I can promise your eyes will be opened to amazing new things!"

—Sonia Gonzalez, Hatfield, England, United Kingdom
