Combine an internship with study abroad by interning before, during, or after a study abroad program. Participants can also intern independently from study abroad or participate in a volunteer group project. Choose a program ranging from 4 to 12 weeks during a semester, summer or intensive month. Earning academic credit is also a possibility with some programs. For prices and more information, visit studiesabroad.com/elap/.

World Endeavors
World Endeavors helps participants find internships that best fit their personal and professional goals. Programs are usually a minimum of 2 or 3 months long, and are offered in Africa, Asia, Australia and the Pacific, Europe, and Latin America. Interns also have the opportunity to earn academic credit upon completing an internship. For the most current program details, visit www.worldendeavors.com.
