

**NSF ADVANCE Institutional Transformation Program  
College of Arts & Sciences Career Enhancement Opportunities Initiative  
Call for Proposals**

Tenure-track women in the nine science/mathematics departments of the College of Arts & Sciences are eligible to participate in the Career Enhancement Opportunities Initiative funded by the NSF ADVANCE award to K-State. Up to \$1000 is available for qualified professional development opportunities including travel and attendance at conferences, small equipment purchases, visits to establish collaborations with colleagues or to learn new research or teaching techniques, and other possible uses. These trips, purchases, or visits should be made during the Fall 2004 or Spring 2005 semesters.

Applications should be submitted by email to Dr. Beth A. Montelone, Associate Dean of Arts & Sciences, [bethmont@ksu.edu](mailto:bethmont@ksu.edu), no later than **September 15, 2004**. Questions about the program should also be directed to Dr. Montelone.

A second call for proposals for opportunities occurring after the spring 2005 semester may be issued in the future.

Applications should include the following:

- 1) A short statement describing the proposed opportunity, potential dates for conferences or visits, and the importance of the trip, purchase, or visit to the career development of the applicant.
- 2) A budget showing how the funds will be utilized.

Awards will be announced by September 24, 2004.
