Architectural Engineering
January 21
March 4
April 1
May 6

Construction Science & Management
January 28
February 18
March 25
April 15

### Seminar Requirements

- If you are in Architectural Engineering or Construction Science & Management, it is YOUR responsibility to ENROLL yourself in seminar each semester that you are in the program.
- **ARE Students:** Four (4) ARE seminars must be attended each semester to receive CREDIT. If you miss a seminar, you can attend a CNS seminar the same semester to make it up.
- **CNS Students:** Four (4) CNS seminars must be attended each semester to receive CREDIT. If you miss a seminar, you can attend an ARE seminar the same semester to make it up.
- If you don't end the semester with 4 seminars attended, you receive NO CREDIT. If you receive NO CREDIT for a semester, the only way to make it up is to submit a ten-page paper. ARE students will submit papers to Blythe Marlow (bmarlow@ksu.edu), ARE seminar advisor. CNS Students will submit papers to Eric Bartholomew (ebar@ksu.edu), CNS seminar advisor.
