An Art Education Teaching License is obtainable by earning a B.F.A. or B.A. degree through the College of Arts and Sciences or by earning a B.S. degree through the College of Education. More art credits are necessary for B.F.A. and B. A. degrees and requirements must be met and application made to the College of Education to be admitted to the professional program.

Students are placed in the schools during the pre and professional semesters and gain valuable experience working in the educational environment. Additional professional and community service hours are also a requirement.
