July 2011

# KANSAS STATE UNIVERSITY

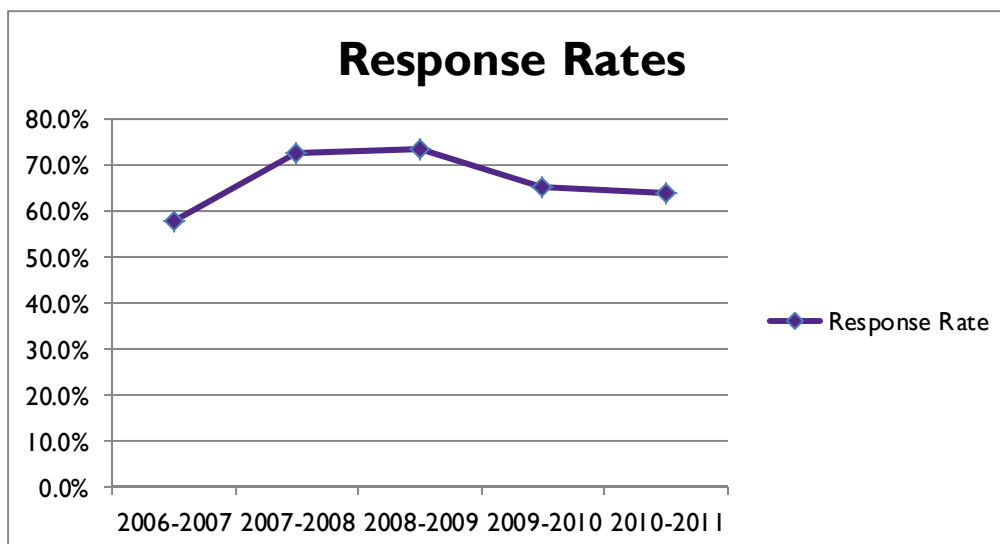

## 2010 - 2011 Senior Survey Summary Report

The Senior Survey is designed to give undergraduate students the opportunity to reflect upon their K-State experiences. This information is used to improve the college experience for future students by identifying strengths in our programs as well as areas that need further development. The survey includes issues relating to satisfaction with K-State regarding academic programs, intellectual and personal growth, student services, and preparation for a career or a graduate/professional school.

### Demographics of Respondents

- 54% of respondents were female.
- 88% of respondents were white, non-Hispanic.
- 71% of respondents had a 3.00 or higher GPA.
- 50% of respondents graduated with an undergraduate certificate and/or minor.
- 70% of respondents pursued employment upon graduation, while 22% pursued graduate or additional undergraduate education.

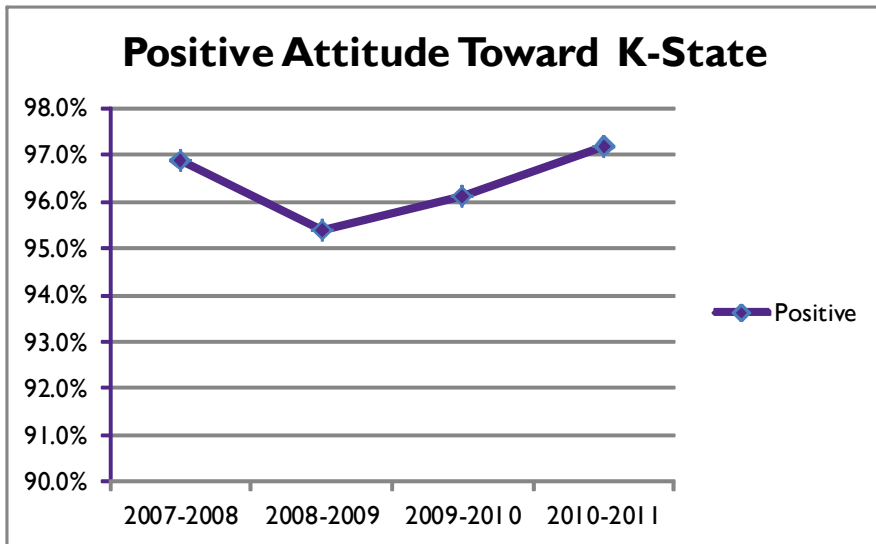

### Response Rates

- Of the 3,029 graduating seniors who received this survey during the 2010-2011 academic year, 1,934 participated for an overall response rate of 64%.

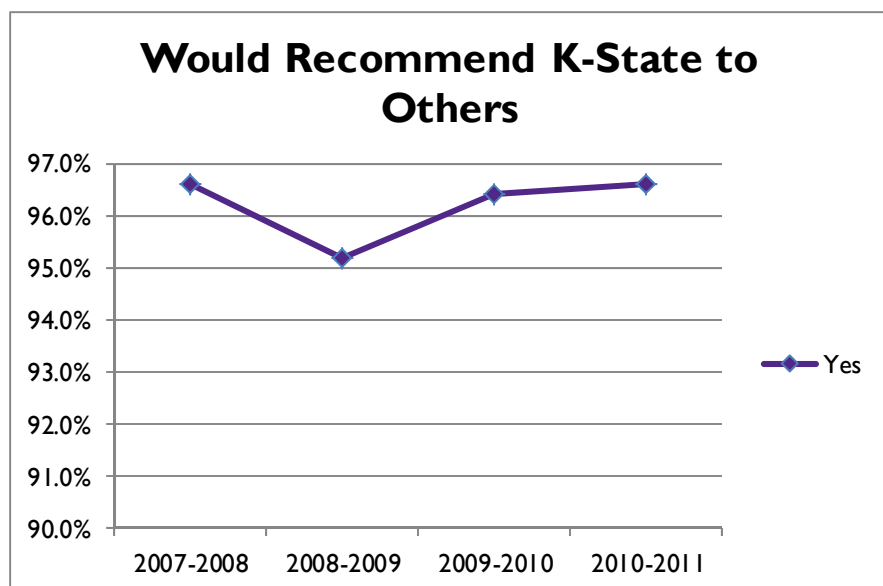

# KANSAS STATE UNIVERSITY

## Student Satisfaction

- 97% of 2010-2011 respondents had a *positive* or *very positive* attitude toward Kansas State University.

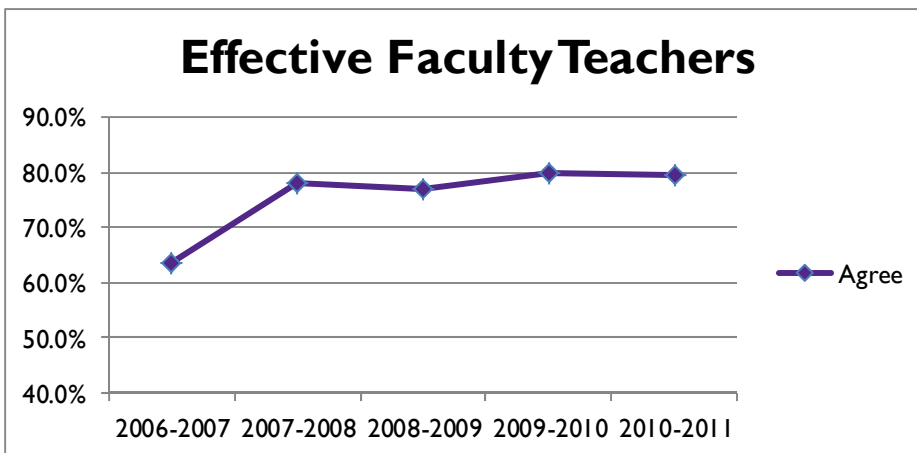

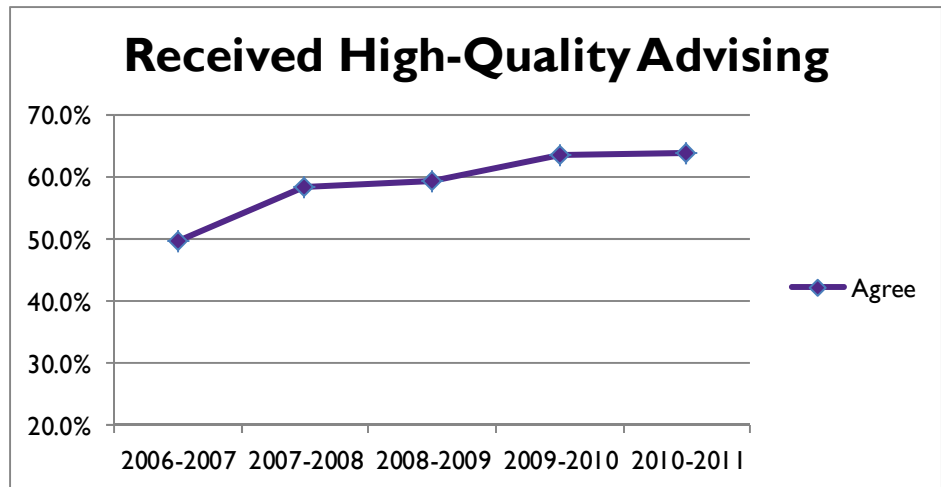

- 97% of 2010-2011 respondents indicated that they would recommend Kansas State University to others.

# KANSAS STATE UNIVERSITY

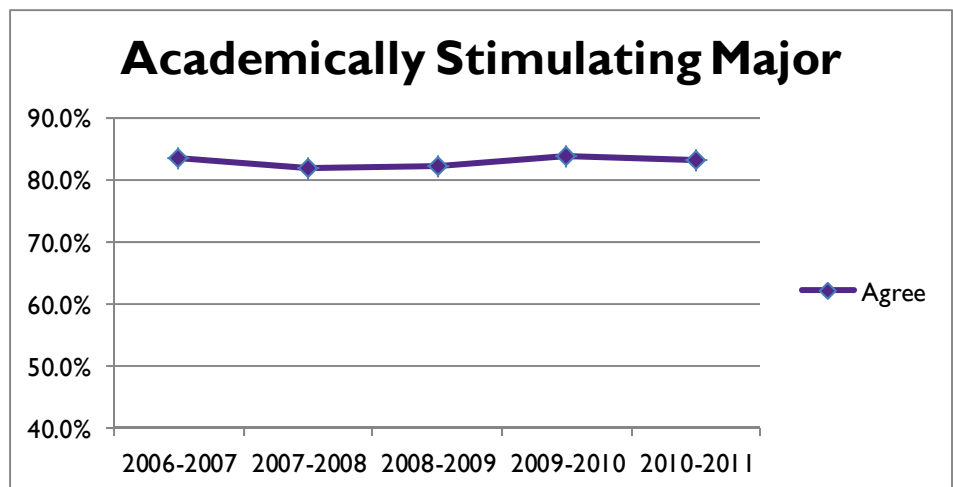

## Educational Experiences
