INSTITUTIONAL ADVANCEMENT
Student Learning Outcomes(SLOs)

Revised November 2004

Students, through the utilization of services and programs offered in the Division of Institutional Advancement, will have demonstrated:

1. Awareness of ethical and community accepted values as practiced through personal behavior and actions;
2. Understanding and appreciation of human differences in order to respect others and work together in a diverse world;
3. Transferability of knowledge and skills as applied to career opportunities;
4. Intra-personal development through an articulated sense of values, appreciation of aesthetics, self-esteem and purpose;
5. Knowledge and utilization of good physical and mental health through exercise, nutrition, social support and self-management behavior;
6. Capacity for leadership in groups, organizations, and work and team situations.
