

Office of Institutional Research and Assessment presents

Assessment Showcase

March 7, 2023 - 8:00 am-Noon

K-State Student Union's Big 12 Room

- 8:00-8:30 Meet and Greet (check-in outside of the Big 12 room & continental breakfast)
- 8:30-9:30 **Program Assessment Panel Workshop** (Interactive workshop)
 - The focus is **data driven continuous improvement**. The panelists include:
 - Phil Payne – Music Education
 - Shing Chang – Industrial and Manufacturing Engineering
 - Greg Eislein – K-State First
 - Todd Goodson – Curriculum and Instruction
 - Phillip Vardiman – Athletic Training
 - Questions include:
 - What data do you collect and share some examples of how your program use that data to drive programmatic adjustments?
 - Describe how your program aligns assessment data with faculty interests so they recognize value of assessment.
 - Share an example when the data led to instructional or curricular changes that was different than original intentions?
 - How does your program address efficiency of data collection and analysis?
 - What interaction does assessment of program-based outcomes have with course-based instruction?
- 9:30-9:45 Assessment awards
- 9:45-10:00 (break)
- (10:00-10:30) Presentation sessions focused on 'Using Assessment Data'
 - Room 227: **'Using Scoring Data for Guiding Instructional Enhancements'**: Aaron Clanton (Bakery Science)
 - Big 12 Room: **'Using Narrative Assessment Data for Guiding Instructional Enhancements'**: Anne Phillips (English)
 - Cottonwood Room: **'Course-embedded Tutoring: BIOL-198'**: Luke Matulewicz (Student Success)
- (10:40-11:10) Presentation sessions focused on 'Assessment Tools'
 - Room 227: **'Performance-based Assessments: Effective development and use of rubrics in Canvas'**: Fred Burrack (Office of Assessment)
 - Cottonwood Room: **'Developing effective selected choice and survey questions'**: Shane Schellpfeffer (Office of Assessment)
 - Big 12 Room: **'Using Navigate as an assessment tool'**: Jeannie Brown Leonard and Brad Cunningham (Student Success)
- (11:20-11:50) Presentation sessions focused on 'Assessment Techniques'
 - Room 227: **'Advanced Assessment Techniques using Canvas and PowerBI'**: Shing Chang (Industrial Engineering)
 - Big 12 Room: **'Effectively using Rubrics in a Graduate Program'**: Sally Bailey (Drama Therapy)
 - Cottonwood Room: **'Question/Answer Session on Designing Assessment for Co-Curricular Units'**: Fred Burrack and Shane Schellpfeffer (Office of Assessment)
