2009 Four-Year Alumni Survey

EXECUTIVE SUMMARY

- The Alumni Survey is designed to give undergraduate graduates the opportunity to reflect upon their K-State experiences. This information is used to improve the college experience for future students by identifying strengths in our programs as well as areas that need further development.
- Of the 1,402 four-year alumni who received the survey, 423 participated for an overall response rate of 30% (down from 46% last year).

Response Rates

- The College of Architecture, Planning and Design achieved the highest response rate at 44%; the next highest was the College of Technology & Aviation at 40%.

Demographics of Respondents

- 59% of respondents were female.
- Approximately 95% of respondents were White, Non-Hispanic.
- 68% of respondents were twenty-seven years of age or younger.
- Nearly 100% (99.5%) of respondents are U.S. citizens.
- 56% of respondents graduated with an undergraduate certificate and/or minor.
- 57% of four-year alumni remain living in the state of Kansas.

Selection of Kansas State University

- 93% of respondents, if given the choice, would attend K-State if he or she could start over.

Educational Experiences Post K-State

- 99% of respondents who are currently attending graduate/professional school rated the quality of their K-State undergraduate preparation for

graduate/professional education as *fair*, *good*, or *excellent*.

- Approximately 1/3 of respondents are currently in graduate/professional school or have graduated with an advanced degree.

Employment Experiences

- 99% of respondents have been employed since graduating from K-State.
- Nearly 6 out of 10 respondents noted that their certificate and/or minor gave them an advantage when applying for jobs.
- Top three employment areas for K-State's one-year alumni are: *education* (18%), *engineering* (10%), and *architecture* (10%).

Involvement Within Your Community

- Approximately 80% of respondents give a percentage of their income to charitable organizations.
- 74% of respondents noted that their undergraduate experiences contributed to their interest and motivation to being involved in community activities *slightly*, *quite a bit*, or *very much*.

Additional Information

- 99% of respondents indicated that they would recommend K-State to a potential student.

Comparison by Gender

- Female respondents were more likely than male respondents to have received an advanced degree or currently enrolled in graduate/professional school.
- Female respondents were more likely than male respondents to have been a member of a volunteer group devoted to serving members of the community.

ABOUT THE 2009 FOUR-YEAR ALUMNI SURVEY

- The Alumni Survey is designed to give undergraduate graduates the opportunity to reflect upon their K-State experiences. This information is used to improve the college experience for future students by identifying strengths in our programs as well as areas that need further development.
- Surveys were sent electronically to alumni who graduated in December 2004, May 2005, and August 2005 for whom e-mail addresses were provided by the Alumni Association.
- The Office of Assessment obtained e-mail addresses for 1,475 graduates; 73 were undeliverable.
- The overall response rate was 30% (423 out of 1,402). For comparison, the overall response rate in 2008 and 2007 were 46% (630 out of 1,367) and 49% (636 out of 1,307) respectively.
- This report consists of frequencies on each question and statistically significant differences by gender and survey year from the 2009 Four-Year Alumni survey.

2009 Four-Year Alumni Survey

AXIO SURVEY

2009 Four-Year Alumni Survey**Survey Description**

Thank you for sharing your ideas with us and becoming part of building a better university. Your thoughtful responses will help the University to improve the educational experience for future students and will affirm the work of those who provide excellent services. This survey will take approximately 15 minutes to complete.

Opening Instructions

Your identity will remain anonymous in any reports that are produced from this survey. Your responses will be combined with those of other graduates in your major and your college to create summary reports that will be used by faculty and administrators to improve Kansas State University.

For completing this survey, you will be eligible to win one of several prizes donated by Varney's Student Union Bookstore. At the end of the survey, click the link to give us some additional information and your name will be entered. Your identity will still remain anonymous; we will not be able to match your entry for the drawing with any of your survey responses. Thanks again for your participation.
