BEGINNING BIRDWATCHING WALK

Join us Saturday, July 8th and every second Saturday at 8 a.m. in the Ackert/Durland parking lot on the KSU campus. We will carpool to a local birding hotspot, and should return by about 11 a.m. Birders of every age and interest level are welcomed; children are especially encouraged to attend. Call Dave Rintoul, 532-6663 or e-mail him at drintoul@ksu.edu for more information.
