If you have a schedule conflict, please copy and paste the following lines into an email, fill in the proper information, and send it to the Music Program's Lead Advisor at phunt@k-state.edu:

In order to process a conflict override, first, you should enroll in the non-music class(es) you need. Dr. Hunt cannot override anything but a music class. If you've already added the MUSIC class, drop it.

Provide him with the information requested below.

NAME:
WID:
No and Name of the class to be overridden: MUSIC xxx -
5-digit REFERENCE No. for the class:
NO. of credits:

Please note: I don't need more information than the lines above. ALSO, for an ensemble, I **DO** need the number of credits desired: zero or one.

HERE ARE the 5-digit reference numbers for fall, 2014

MUSIC 115 Marching Band
REF 12625

MUSIC 411 Marching Band
REF 12707

Once I receive your reply, I will process a conflict override through the Dean's Office. The music class will just be added to your schedule. Check it via ISIS is a day or so to make sure it has appeared.
