We have the entire staff returning for next year with the addition of two new Graduate Assistants. Allegra Fisher is a KSU Grad of 2015, and Eddie Shaw a euphonium player coming off several years with the US Marine Drum and Bugle Corp.

Once again, the entire K-State Band Program experienced a tremendous eventful year. The Wind Ensemble, Wind Symphony, Concert Band, and both Purple and Silver University Bands had some great concerts! The Marching Band was better than ever - 425 strong! The Cat Band, Volleyball Band, and Pub Crawl Bands had some great experiences and tournament trips as well!

We have a great year of fantastic experiences scheduled for 2018/2019 including a Marching Band trip to Wichita East High School and Wabaunsee High School to play at their football games, a very prestigious invitation for the Wind Ensemble to perform at the American Bandmasters Association Conference in Colorado, and of course — another bowl trip!

Our six Athletic Bands and 7 Concert Ensembles have had a tremendous year and we look forward to continue success and growth in all we do. This year looks to be another tremendous year for us with plenty of travel, guests, and opportunities designed to take you to new levels as a musician and a person. We are extremely proud of our program and students and we are excited to have you join us and contribute to “building the best band program” anywhere!

Welcome to the Band Family. GO CATS and GO BAND!

**Date and times subject to change**
If you have a Residence Hall Contract for 2018-2019 and are attending Band Camp, you will be able to move into your permanent room early (at your expense). The residence halls open for regular occupancy Saturday, August 18, 2018. Some students, for a variety of reasons (like band camp), have a need to be on campus before this date. You will be charged an additional per day fee to cover the early arrival costs for housing and your meal plan. You will sign an early arrival agreement when you check in. You will be asked by Housing & Dining Services in July or early August to indicate your planned move in date. No other communication with Housing is needed.

Please consult the move in materials sent by Housing & Dining this summer and/or contact Housing and Dining Services if you have any questions.

The Kansas State University Marching Band requires all members to have a secondary uniform. It will be used during inclement weather and when it gets too hot for regular uniforms. They are also necessary for pep rallies, parades and game day practices. The secondary uniform includes a t-shirt, purple shorts, ball cap, a back-pack, purple pants, purple zipped band jacket, and black crossover marching shoes.

For the 2018-2019 season, we are replacing all uniform items except the purple shorts. ALL ROOKIES must purchase the complete secondary uniform including shoes. This year VETS MUST ALSO purchase the complete secondary uniform including shoes with the exception of shorts, backpack and the ball cap. Shorts and caps will remain the same as last year.

Color Guard, Twirlers & Classy Cats will place uniform orders with their coordinators.
Questions & Answers

There are many tough decisions that a college freshman has to make. Some of the biggest ones involve what school to attend and what to study. Another important decision is whether or not to continue being involved in music in college by participating in bands, especially marching band. Here are some of the questions most often asked by parents and/or students who are considering joining one of the University Bands.

/// How do I become a member of the KSUMB?
All bands at KSU are open to students from any major. High school band experience is the primary prerequisite for membership, however, any musical background will be of help in band (instrumental) admittance. AUDITION REQUIRED

/// Do I have to be a music major to play in one of the bands?
Not at all! Over 75% of all band members are in some major other than music.

/// Does the band provide instruments?
For a nominal fee, ($35.00 a semester) the KSUMB provides piccolos, clarinets, saxophones, percussion, sousaphones, baritones, trumpets, trombones, mellophones, and flags. Instrument rental is payable to the KSU Bands. We also have some piccolos, flutes, clarinets, saxophones, oboes, bassoons, trumpets, trombones, euphoniums, tubas and percussion instruments, which are also available for the concert bands.

/// How do I become member of one of the concert bands?
Membership in Wind Ensemble, Wind Symphony, and Concert Band is based on auditions heard at the beginning of each semester. University Band is a non-audition group that meets in the spring semester only. Since there are several bands within the program, there will be an organization appropriate to your level of musicianship.

/// What do the University Bands have to offer me?
University credit towards graduation is awarded for each semester of participation in the university bands. Band at KSU can also make your college years more meaningful and exciting, more than just going to classes and taking exams. You will experience lasting friendships, wonderful trips, spirit, and tremendous pride in one of the outstanding KSU bands available.

/// If I do not get involved in University Bands the first year, could I still participate later on?
Of course, however, the trend is that if you put off participation, the odds are that you will probably never get involved due to a feeling of being “on the outside.”

/// Are instrumental scholarships available?
Yes. Awards are made each year based on academic record and musicianship. These awards are available to music majors and minors as well as to those students playing instruments of need.

/// Will band participation take too much of my time?
Not if you budget your time wisely. Studies have shown that students who participate in University Bands usually achieve high scholastic indexes. Our marching band rehearsal time, 3:30 PM-5:30 PM TuTH, is scheduled to avoid conflicts with most classes in all departments. If you have a potential class conflict, please contact Dr. Tracz. This time of day welcomes a change of pace!

/// Can I participate in music ensembles for no credit?
Music ensembles are being offered on a variable credit (0, 1 credit hour) basis. Any student whose curriculum has a requirement for that ensemble (e.g., the music major’s major ensemble each semester, the music education two semester marching band requirement, four semesters of MUS 280 or MUS 480 Ensemble Performance for the BM instrumental option; etc.) must enroll for 1 credit hour and pay the fee. A music major who has completed the marching band requirement or is taking an additional ensemble beyond the major ensemble requirement may enroll in the additional ensemble(s) for 0 credit hour (e.g., the music major who is taking concert choir as the major ensemble for 1 credit hour (fee) may also elect to enroll in opera workshop and marching band for 0 credit hour (no fee)). Students who are not music majors may elect to enroll for either 0 credit hour (no fee) or 1 credit hour (fee).
