If your child does not have the required immunizations by their start date, licensing requires either an appointment card stating your child has an appointment to get immunizations, or a signed letter from a doctor stating that your child is behind on their immunizations and when they will be caught up on their immunizations. If you have any questions about the requirements or would like more information, visit the Kansas Department of Health & Environment's website at www.kdheks.gov/immunize/index.html or please contact the Operations/Enrollment Director, Anna Howard at 532-3700 or asherwoo@ksu.edu.
