

Job Search Resources for BIOLOGY Majors

Biology is the science of living matter. It involves the study of the structure, evolutionary development, and functions of plants, animals, and microorganisms, especially the ways in which they relate to our environment. Among the major branches of biology are human anatomy and physiology, botany, microbiology, zoology, and ecology.

Occupations to Consider

Agronomist	Dietician	Horticulturist	Oceanographer
Animal Scientist	Ecologist	Hospital Administrator	Paramedic
Aquaculture Farmer	EEG Technician	Industrial Hygienist	Physical Therapist
Aqua Culturist	Emergency Medical	Industrial Marine Economist	Physician
Aquarium Worker	Embryologist	Lab Technician	Physiologist
Aquatic Biologist	Entomologist Technician	Marine Bacteriologist	Radiologist
Barrier Beach Mgr	Entomologist	Marine Biologist	Research Assistant
Bio-Engineer	Environmental Engineer	Marine Ecologist	Science Teacher
Bio-Technologist	Fish Hatchery Tech	Marine Sales	Soil Conservationist
Biochemist	Fishery Biologist	Medical Assistant	Toxicologist
Biometrician	Florist	Medical Lab Tech	Underwater Tech
Biologist	Forensic Pathologist	Meteorologist	Veterinarian
Botanist	Forester	Microbiologist	Wildlife Biologist
Chiropractor	Genetic Engineering	Mortician	Zoologist
Coroner	Health Officer	Neurobiologist	

Potential Employers

Aquariums	Conservation Agencies	Hospitals	Public Health Laboratories
Arboretums	Educational Institutions	Medical Supply Companies	Research Firms
Biotechnology Industry	Government Agencies	Museums	Textile Laboratories
Chemical Industries	Health Agencies		

Recent Kansas State University Graduates

American Red Cross	Hospira	Mercy Regional Health Center	State of Oregon Fisheries Dept
Antigen Labs	Ivax Corporation	Midwest Research Institute	St Lukes Health System
City of Englewood, Colo.	Kansas State University	Orthopaedic Surgery Center	Stowers Institute for Medical
Fort Collins Health Care Center	Kerry Group	Physicians Reference Laboratory	Research
Fuchs Lubricants	Medical Center of Aurora	Shaw Environmental	Surgcenter Development
