

CES STUDENT NEWSLETTER  
**College of Education**

September & October 2009

No matter if you are a freshman at K-State just starting to take classes or a senior in your final semester of student teaching, there are plenty of ways to get involved with CES to ensure that your future job search is smooth and successful!

**Your Resume.** If you haven't written a resume yet, visit the CES website to learn more about resources and best approaches for Education majors. If you already have a resume started, drop by Walk in Wednesdays to have your resume reviewed by a staff member, or call to schedule an appointment to meet with me.

**Get Activated.** Log on and activate your CES account to be able to upload your resume, search education career events, register for mock interviews, view school district/employer contact info and gain access to a variety of resources. Go to [www.k-state.edu/ces](http://www.k-state.edu/ces) and click "My CES Account", select student login and enter your K-State eID and password.

**Volunteer Hours.** Contact me if you are interested in volunteering at the Education Career Fair this semester. This is an excellent way to meet school districts/employers and start networking and building a positive relationship as well as a great opportunity to complete some of your required volunteer hours.

**Get Connected.** CES is constantly looking for ways to meet student needs and help them with their career search. Check us out at [www.k-state.edu/ces](http://www.k-state.edu/ces) and learn more about the great opportunities and events coming your way this semester (see sidebar for important Education specific events).

As always, if I can be of assistance in any way, please let me know. Feel free to stop by Career & Employment services in Holtz Hall, email me at [joyw@ksu.edu](mailto:joyw@ksu.edu) or call 785-532-6508 to schedule an appointment.

**Best wishes for a great semester!**  
Joy Whitney

**Interim Assistant Director  
Career & Employment Services  
Liaison to the College of Education**
