

**Kansas State University**  
**Department of Chemistry**  
Application for REU Program, Summer 2008

*Return this application and a photocopy of your transcript (unofficial transcript is OK), and arrange for two letters of recommendation to be sent by February 20, 2008 to*

Dr. Stefan H. Bossmann  
REU Program  
Department of Chemistry  
Kansas State University  
Manhattan, KS 66506-3701  
sbossman@ksu.edu

Information you provide in this application may be used for statistical analysis that may help ensure the continued growth and vitality of summer research programs for undergraduate students. All information provided will remain confidential.

Name: \_\_\_\_\_

College: \_\_\_\_\_

Major: \_\_\_\_\_

Minor: \_\_\_\_\_

Current class: Fr      So      Jr      Sr      Expected Graduation Date \_\_\_\_\_

Anticipate enrolling in (check one):

Graduate School in Chemistry \_\_\_\_\_

Graduate School in Biochemistry \_\_\_\_\_

Medical School \_\_\_\_\_

Law School \_\_\_\_\_

Other (specify) \_\_\_\_\_

Current Address \_\_\_\_\_  
\_\_\_\_\_

Telephone: \_\_\_\_\_

Email: \_\_\_\_\_

Permanent Address: \_\_\_\_\_  
\_\_\_\_\_

Telephone \_\_\_\_\_

Residence Status:    US Citizen \_\_\_\_\_      Permanent Resident \_\_\_\_\_      Nonresident Alien \_\_\_\_\_

Ethnic Origin      Caucasian \_\_\_\_\_      Hispanic \_\_\_\_\_      Asian American \_\_\_\_\_

Native American \_\_\_\_\_      African American \_\_\_\_\_      Other \_\_\_\_\_

Have you participated in an undergraduate research program in previous years?  
Yes \_\_\_\_\_ No \_\_\_\_\_

If yes, please indicate when and where \_\_\_\_\_

Overall GPA: \_\_\_\_\_ Chemistry GPA \_\_\_\_\_ Science GPA \_\_\_\_\_

Indicate how many courses you have taken in the following areas:

Organic \_\_\_ Physical \_\_\_ Inorganic \_\_\_ Analytical \_\_\_ Physics \_\_\_ Calculus \_\_\_\_\_

Preferred area of research in the K-State Summer program (indicate first choice with a 1, second with a 2, and so on)

Organic \_\_\_ Physical \_\_\_ Inorganic \_\_\_ Analytical \_\_\_ Biological \_\_\_ Materials \_\_\_\_\_

Please describe any previous research experience (chemistry or other science)

Write a brief description of what you expect to accomplish through our summer research program.  
If possible, describe how it may help you in the future career plans
