

Kansas State University is committed to performing animal facilitated research in a humane and compliant manner. The KSU Institutional Animal Care and Use Committee (IACUC) is empowered to “review and if warranted, investigate concerns involving animal care and use resulting from public complaints, or reports of noncompliance from laboratory or research facility employees or personnel.” If you have questions or concerns about animal care and use at KSU, please call one of the individuals listed below, or a member of the IACUC (a roster of members is on the IACUC webpage). If you prefer, you are not required to give your name.

- **Cheryl Doerr – University Research Compliance Office (532-3224)**
- **Dr Denver Marlow – Attending Veterinarian (532-5640)**
- **Dr Sally Olson – IACUC Chair (532-4496)**

A significant technical and informational resource on all aspects of the animal care and use program for KSU is located on the University Research Compliance Office website.
