Windows Vista™

These are the Microsoft and Adobe (reverse side) products available to students, faculty, and staff at an education discount for personal use.

An education ID is required for all software purchases.

The K-State Student Select prices are only available to **K-State** students, faculty, and staff with a valid K-State ID. These are full versions of the software and are not limited in any way. K-State Student Select product purchases are limited to one copy of the software for the entire life of each version.

*** Microsoft Student Select is available to K-State students, faculty, and staff. Adobe limits their Student Select to K-State students only.**

† Individual applications for Office Pro 2003 and Mac Office 2004 are not available for purchase. Prices shown are for Office 2007 applications only.
