This pricing is for K-State faculty, staff, students and Emeritus only. Current K-State ID must be presented to purchase. Entering students can present a letter of acceptance from KSU. Distance students can present a current fee receipt. KSU affiliates are not eligible. This software is for personal purchases only, using personal funds. This software can not be purchased using departmental funds. Departmental purchases need to be made off state contract through SHI.

Order online at [www.ksu.edu/computerstore](http://www.ksu.edu/computerstore)

**Q. What is the Student Select Program?**

An agreement between Adobe, Microsoft, Kansas State University, and the K-State Student Union Computer Store to provide select Adobe and Microsoft software titles to the campus community for their own personal educational use at substantial savings.

**Q. Who is eligible?**

All faculty, staff, incoming and currently enrolled students at K-State or K-State Salina are eligible. Graduating K-State students have a limited time period after graduation to purchase. K-State Emeritus are also eligible.

**Q. How does this product differ from the educationally priced shrink wrapped boxed product or the retail priced shrink wrapped boxed product I might find at other stores or online?**

There is no difference. All products are full working versions, not limited in any way. This product is distributed individually sealed, in a CD sleeve or DVD box rather than a fancy retail box. There will be a code included with each product that will allow activation with with Microsoft or Adobe.

**Q. Is this a special price, only available for a limited time?**

No, this is an ongoing program.

**Q. How many copies can I buy?**

Each student is limited to one copy of each of the available products. However if a new version comes out for a product, you then become eligible to buy the new version of that product. (i.e. if you had purchased Office 2003, when Office 2007 came out you would be eligible to purchase that)

**Q. How will you verify my eligibility?**

We will swipe your K-State ID through a machine located by our register that is electronically connected to a campus database. It will verify eligibility and whether you have previously purchased that Student Select software title. If you are an incoming student or a distance student, we may require a fee receipt to verify current enrollment or a copy of your letter of acceptance from K-State in lieu of swiping your student ID.

**Q. Can I have my department purchase it for me?**

No. This software is for personal purchases only, using personal funds. This software can not be purchased using departmental funds. Departmental purchases need to be made off state contract through SHI.

**Q. I am a KSU affiliate, am I eligible?**

Sorry, no. Only K-State students, faculty, staff and Emeritus are eligible.

**Q. What if I want to order?**

You can order by visiting the store, ordering online ([www.ksu.edu/computerstore](http://www.ksu.edu/computerstore)), or calling the store. We can ship for a small fee.

**Q. What if I have other questions or need to contact you?**

Feel free to email, call, or stop in with any questions.
