Contract. The successful vendor will be required to enter into a written contract with Kansas State University. The vendor agrees to accept the provisions of form DA-146a, Contractual Provisions Attachment, which is incorporated into all contracts with the State and is attached to this Invitation.

Contract Documents. This Invitation and any amendments and the response and any amendments of the successful vendor shall be incorporated along with the DA-146a into the written contract which shall compose the complete understanding of the parties.

Contract Formation. No contract shall be considered to have been entered into by KSU until all statutorily required signatures and certifications have been rendered; funds for the contract have been encumbered with the Division of Accounts and Reports; and a purchase order, signed by the Director of Purchasing, has been deposited in the mail OR a written contract has been signed by the successful vendor.

Federal, State and Local Taxes-Governmental Entity. Unless otherwise specified, the bid price shall include all applicable federal, state and local taxes. The successful vendor shall pay all taxes lawfully imposed on it with respect to any product or service delivered in accordance with this Invitation. The State of Kansas is exempt from state sales or use taxes and federal excise taxes. These taxes shall not be included in the vendor's price quotations.

Evaluation of Bids. Award shall be to the lowest responsible bidder taking into consideration conformity with the specifications, terms of delivery and other conditions imposed by this Invitation.

Competition. The purpose of this Invitation is to seek competition. The vendor shall advise the Purchasing Office if any specification, language or other requirement inadvertently restricts or limits bidding to a single source. Notification shall be in writing and must be received by the Purchasing Office no later than five (5) business days prior to the bid closing date. The Director of Purchasing reserves the right to waive minor deviations in the specifications which do not hinder the intent of this Invitation.

New Materials, Supplies or Equipment. Unless otherwise specified, all materials, supplies or equipment offered by a vendor shall be new, unused in any regard and of most current design. All materials, supplies and equipment shall be first class in all respects. Seconds or flawed items will not be acceptable. All materials, supplies or equipment shall be suitable for their intended purpose and, unless otherwise specified, fully assembled and ready for use on delivery.

Any material, article or equipment of other manufacturers or vendors shall perform to the standard of the item specified. Equivalent bids must be accompanied by sufficient descriptive literature and/or specifications to provide for detailed comparison. Samples of items, if required, shall be furnished at no expense to the State and if not destroyed in the evaluation process, shall be returned at vendor's expense, if requested.

Acceptance or Rejection. The State reserves the right to accept or reject any or all bids or part of a bid; to waive any informalities or technicalities, clarify any ambiguities in bids; and unless otherwise specified, to accept any item in the bid.

Default on Delivery. Any vendor who defaults on delivery as defined in this Invitation may, at the discretion of the KSU Director of Purchasing, be barred from bidding on any subsequent Invitation for a period to be determined by the Director.

Insurance. The State shall not be required to purchase any insurance against loss or damage to any personal property nor shall the State establish a "self-insurance" fund to protect against any loss or damage. Subject to the provisions of the Kansas Tort Claims Act, the vendor shall bear the risk of any loss or damage to any personal property.

Inspection. The State reserves the right to reject, on arrival at destination without cost to the State, any items which do not conform to the specifications of this Invitation.

Termination. The KSU Director of Purchasing may terminate this contract, or any part of this contract, for cause under any one of the following circumstances:

- (1) The Contractor fails to make delivery of goods or services as specified in this contract; or
- (2) The Contractor fails to perform any of the provisions of this contract, or so fails to make progress as to endanger performance of this contract in accordance with its terms.

The using department or the KSU Director of Purchasing shall provide the Contractor with written notice of the conditions endangering performance. If the Contractor fails to remedy the conditions within 10 days from the receipt of the notice (or such longer period as may be authorized in writing), the Director of Purchasing shall issue the Contractor an order to stop work immediately. Receipt of this notice shall be presumed to have occurred within three (3) days of the date of the notice.

The KSU Director of Purchasing may terminate performance of work under this contract in whole or in part whenever, for any reason, it is determined that the termination is in the best interest of the State of Kansas. In the event that the KSU Director of Purchasing elects to terminate this contract pursuant to this provision, he/she shall provide the Contractor written notice at least 30 days prior to the termination date. The termination shall be effective as of the date specified in the notice. The contractor shall continue to perform any part of the work that may have not been terminated by the notice.

Right and Remedies. If this contract is terminated, the State, in addition to any other rights provided for in this contract, may require the Contractor to transfer title and deliver to the State in the manner and to the extent directed, any completed materials. The State may be obligated only for those services and materials rendered and accepted prior to the date of termination. Subject to proof of market price, the measure of damages for nondelivery or repudiation by the Contractor shall be the difference between the market price at the time when the State learned of the breach and the contract price together with any incidental and consequential damages less expenses saved in consequence of the contractor's breach. Market price shall be determined as of the place for tender or, in cases of rejection after arrival or revocation of acceptance, as of the place of arrival.

If it is determined, after notice of termination for cause, that the Contractor's failure was due to causes beyond the control of or negligence of the Contractor, the termination shall be a termination in the best interest of the State.

The Contractor shall not be liable if the failure to perform this contract arises out of causes beyond the control of or negligence of the Contractor. Causes may include, but are not limited to, acts of nature, fires, quarantine, strikes other than by the Contractor's employees, and freight embargoes.

In event of termination, the Contractor shall receive payment prorated for that portion of the contract period services were provided to and/or goods were accepted by the State.

The rights and remedies of the State provided for in this contract shall not be exclusive and are in addition to any other rights and remedies provided by law.

Waiver. Waiver of any breach of any provision in this contract shall not be a waiver of any prior or subsequent breach. Any waiver shall be in writing and any forbearance or indulgence in any other form or manner by the State shall not constitute a waiver.

Hold Harmless. The Contractor shall indemnify the State against any and all claims for injury to or death of any persons; for loss or damage to any property; and for infringement of any copyright or patent occurring in connection with or in any way incidental to or arising out of the occupancy, use, service, operations or performance of work under this contract.

The State shall not be precluded from receiving the benefits of any insurance the contractor may carry which provides for indemnification for any loss or damage to property in the contractor's custody and control, where such loss or destruction is to State property. The contractor shall do nothing to prejudice the State's right to recover against third parties for any loss, destruction or damage to State property.

Prohibition of Gratuities. Neither the Contractor nor any person, firm or corporation employed by the Contractor in the performance of this contract shall offer to give any gift, money or anything of value or any promise for future reward or compensation to any State employee at any time.

# CONTRACTUAL PROVISIONS ATTACHMENT

Important: This form contains mandatory contract provisions and must be attached to or incorporated in all copies of any contractual agreement. If it is attached to the vendor/contractor's standard contract form, then that form must be altered to contain the following provision:

"The Provisions found in Contractual Provisions Attachment (Form DA-146a, Rev. 1-01), which is attached hereto, are hereby incorporated in this contract and made a part thereof."

The parties agree that the following provisions are hereby incorporated into the contract to which it is attached and made a part thereof, said contract being the \_\_\_\_ day of \_\_\_\_\_, 20 \_\_\_\_.

1. **Terms Herein Controlling Provisions:** It is expressly agreed that the terms of each and every provision in this attachment shall prevail and control over the terms of any other conflicting provision in any other document relating to and a part of the contract in which this attachment is incorporated.
2. **Agreement With Kansas Law:** All contractual agreements shall be subject to, governed by, and construed according to the laws of the State of Kansas.
3. **Termination Due To Lack Of Funding Appropriation:** If, in the judgment of the Director of Accounts and Reports, Department of Administration, sufficient funds are not appropriated to continue the function performed in this agreement and for the payment of the charges hereunder, State may terminate this agreement at the end of its current fiscal year. State agrees to give written notice of termination to contractor at least 30 days prior to the end of its current fiscal year, and shall give such notice for a greater period prior to the end of such fiscal year as may be provided in this contract, except that such notice shall not be required prior to 90 days before the end of such fiscal year. Contractor shall have the right, at the end of such fiscal year, to take possession of any equipment provided State under the contract. State will pay to the contractor all regular contractual payments incurred through the end of such fiscal year, plus contractual charges incidental to the return of any such equipment. Upon termination of the agreement by State, title to any such equipment shall revert to contractor at the end of State's current fiscal year. The termination of the contract pursuant to this paragraph shall not cause any penalty to be charged to the agency or the contractor.
4. **Disclaimer Of Liability:** Neither the State of Kansas nor any agency thereof shall hold harmless or indemnify any contractor beyond that liability incurred under the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.).
5. **Anti-Discrimination Clause:** The contractor agrees: (a) to comply with the Kansas Act Against Discrimination (K.S.A. 44-1001 et seq.) and the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111 et seq.) and the applicable provisions of the Americans With Disabilities Act (42 U.S.C. 12101 et seq.) (ADA) and to not discriminate against any person because of race, religion, color, sex, disability, national origin or ancestry, or age in the admission or access to, or treatment or employment in, its programs or activities; (b) to include in all solicitations or advertisements for employees, the phrase "equal opportunity employer"; (c) to comply with the reporting requirements set out at K.S.A. 44-1031 and K.S.A. 44-1116; (d) to include those provisions in every subcontract or purchase order so that they are binding upon such subcontractor or vendor; (e) that a failure to comply with the reporting requirements of (c) above or if the contractor is found guilty of any violation of such acts by the Kansas Human Rights Commission, such violation shall constitute a breach of contract and the contract may be cancelled, terminated or suspended, in whole or in part, by the contracting state agency or the Kansas Department of Administration; (f) if it is determined that the contractor has violated applicable provisions of ADA, such violation shall constitute a breach of contract and the contract may be cancelled, terminated or suspended, in whole or in part, by the contracting state agency or the Kansas Department of Administration. Parties to this contract understand that the provisions of this paragraph number 5 (with the exception of those provisions relating to the ADA) are not applicable to a contractor who employs fewer than four employees during the term of such contract or whose contracts with the contracting state agency cumulatively total \$5,000 or less during the fiscal year of such agency.
6. **Acceptance Of Contract:** This contract shall not be considered accepted, approved or otherwise effective until the statutorily required approvals and certifications have been given.
7. **Arbitration, Damages, Warranties:** Notwithstanding any language to the contrary, no interpretation shall be allowed to find the State or any agency thereof has agreed to binding arbitration, or the payment of damages or penalties upon the occurrence of a contingency. Further, the State of Kansas shall not agree to pay attorney fees and late payment charges beyond those available under the Kansas Prompt Payment Act (K.S.A. 75-6403), and no provision will be given effect which attempts to exclude, modify, disclaim or otherwise attempt to limit implied warranties of merchantability and fitness for a particular purpose.
8. **Representative's Authority To Contract:** By signing this contract, the representative of the contractor thereby represents that such person is duly authorized by the contractor to execute this contract on behalf of the contractor and that the contractor agrees to be bound by the provisions thereof.
9. **Responsibility For Taxes:** The State of Kansas shall not be responsible for, nor indemnify a contractor for, any federal, state or local taxes which may be imposed or levied upon the subject matter of this contract.
10. **Insurance:** The State of Kansas shall not be required to purchase, any insurance against loss or damage to any personal property to which this contract relates, nor shall this contract require the State to establish a "self-insurance" fund to protect against any such loss of damage. Subject to the provisions of the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.), the vendor or lessor shall bear the risk of any loss or damage to any personal property in which vendor or lessor holds title.
11. **Information:** No provision of this contract shall be construed as limiting the Legislative Division of Post Audit from having access to information pursuant to K.S.A. 46-1101 et seq.
12. **The Eleventh Amendment:** "The Eleventh Amendment is an inherent and incumbent protection with the State of Kansas and need not be reserved, but prudence requires the State to reiterate that nothing related to this contract shall be deemed a waiver of the Eleventh Amendment."
