

SOME PSYCHIATRIC RESOURCES IN MANHATTAN, KS

Beginning July 2009, The Counseling Services at Kansas State University will no longer have a psychiatric consultant on staff. However, psychiatric services are available in the community. Our staff will coordinate with the local medication providers when appropriate for our clients. The following is a list of some of the psychiatric medication resources that students may consider for their medication needs. For other psychiatric medication resources in Manhattan, Salina, and Topeka, KS, please refer to that area's Yellow Pages.
