EXCITE: Shadow Days

What is the Goal?
The mission of EXCITE Shadow Days is to increase girls’ interest in science, technology, engineering, and math (STEM) careers.

Who Should Attend?
This event is intended for students currently in high school with an interest in science, technology, engineering, or math (STEM) related careers.

What Will We Do?
You will join a current college student majoring in a field you are interested in as she goes about her normal day at K-State and experience “a day in the life” firsthand. Your registration fee covers your lunch.

When & Where?

| September 27 | October 13 | November 8 |

We will start the day in the KAWSE office in Seaton Hall at 9am. You will be picked up by your mentor shortly thereafter and spend the majority of your time either in class or touring campus. The day will end around 3pm back in the KAWSE office.

How Do I Sign Up?
To register, please print, complete, and mail in the 3-page registration form located on the EXCITE website (www.ksu.edu/excite). Please make additional copies for each person attending. Mail in the form along with payment (check/money order) to the address provided. Please DO NOT SEND CASH. A confirmation packet will be sent to the email address you provide on the form.
