What is the Goal?
This event is intended to increase girls’ interests in the STEM fields. Participants are encouraged to come to the campus ready to spend a day with a current female college student who is in the STEM (Science, Technology, Engineering, & Math) fields.

Who Should Attend?
This event is intended for students currently in the 9th through 12th grade.

What Will We Do?
This is your chance to see what a typical day at college is like for a female science, technology, engineering or mathematics student. You will go to class with your mentor, explore campus life, have lunch, and see what a college student does during her free time between classes. Be aware—you will sit in on college classes and will not understand everything that is discussed. We don’t expect you to! This is not about understanding the class; it is about seeing what a college classroom feels like.

When & Where?
We will begin the day at 9am and end at 3:00pm. All events will take place at the K-State campus in Manhattan.

How Do I Sign Up?
To register, complete the registration form on our website (ksu.edu/excite). Please complete one form for each person attending. Mail in the form along with payment (check/money order) to the address provided. **Please DO NOT SEND CASH.**

Registrants will be e-mailed a confirmation packet once the EXCITE! team receives a completed registration. Registration is on a first come first serve basis and will be limited; we will waitlist additional applicants if necessary.

What if I have to Cancel?
Should you need to cancel, please do so as soon as possible. This will allow those on the waitlist to participate. **Unfortunately, we cannot issue refunds except to those waitlisted applicants we cannot accommodate.**

I still need more information ….
Please contact Sara Heiman at the KAWSE office, home of EXCITE, at (785)-532-6088. Send us an email at kawse@ksu.edu or visit our website at www.ksu.edu/excite.
