**Do You Have Correct Postage???**

## **Attention: Upcoming Postage Rate Change**

The USPS is increasing postage rates for all services, excluding priority and express mail services. This rate change is **May 11, 2009**. The first class stamp will be raised two cents to a 44¢ stamp. If you have forever stamps you do not need to add the additional postage they automatically become a 44¢ stamp. The USPS will continue to adjust the prices every May.

## **Recycling campus mail envelopes:**

Central Mail Services has been operating at 50% staff. We no longer have the time nor the staff to make all the campus mail envelopes as we have in the past. In an effort to help, would you please print and recycle campus mail envelopes. The links to campus mail envelope labels are below. We appreciate your willingness to cooperate and help us through in these difficult times.
