   A. Classrooms are **not** assigned to any specific academic department. They are administered and maintained by the Division of Facilities.

   B. Classrooms are used for semester courses based on department location, class size and equipment needs. They are scheduled each semester by the Registrar.

   C. Classes will be scheduled by computer, unless otherwise specified.

   D. Selected rooms may have special scheduling conditions.

   E. Technology classrooms are available. Trained faculty will have priority for regular, appropriate sized classes and are scheduled through the Division of Facilities. Other uses of the room are through the Facilities Scheduling office, with VPAST Approval.

   F. Seating Capacity may include ADA tables. Rooms under 50 capacities will have 2 chairs. Rooms over 50 will have table space for 4 wheelchairs. Bringing additional chairs into the room for non-disabled is discouraged.

Scheduling classes for each classroom will not exceed the designated seating capacity of the room. Facilities Scheduling will relocate classes exceeding the designated capacities. Rescheduling of classes in general use classrooms will not be permitted after the 20th day of classes.

5. Additional seating: due to the fire code, additional chairs should not be brought into any general use classroom with fixed seating. If the movable seating is inadequate, contact Facilities Scheduling office at 532-1712.
