C. General Education - none

V. Old Business

A. Senior and Alumni Surveys Update – Senator Alice Trussell
   The committee met and is in the process of finalizing questions that will go out within the university on
   what surveys exist, what is really wanted, and what the information is used for. It is basically a “survey of
   surveys”, commented Senator Fairchild.

B. Assessment Update – Dr. Patricia Marsh
   Per an email from Dr. Marsh, Senator Fairchild requested the Assessment Update be removed from the
   agenda and the committee supported this request. Dr. Marsh will continue to update the committee as the
   need arises.

C. Faculty rights in the classroom – Senator Don Hedrick
   Senator Hedrick provided a draft of a memo relaying the visit Roger Adams, Chair of Faculty Affairs, and
   he had with Cheryl Strecker, one of the university attorneys, regarding faculty rights in the classroom.
   Senator Hedrick asked for any suggestions from the committee on the format or wording of the memo and
   such were given. Senator Hedrick suggested this memo be presented to deans and department heads from
   both of the committees. Senator Fairchild agreed and said he would discuss this with Faculty Senate
   President, Jackie Spears. Senator Hedrick will have Roger Adams, Cheryl Strecker, and Jackie Spears
   review the memo before it is finalized.

D. Classroom Use – No report at present.

VI. New Business

A. A motion was made by Lehew and seconded by Erickson to approve additions to graduation lists:
August 2004
Lisa Dianne Woody, Arts and Sciences, BS in Social Science

December 2004
Derek Chiarelli, Arts and Sciences, BA in Social Science
Shanta R. Bailey, Arts and Sciences, BS in Psychology
Brandon Lloyd Noone, Arts and Sciences, Bachelor of Fine Arts, Graphic Design
Scott Nason, Arts and Sciences, Bachelor of Fine Arts, Graphic Design
Karen L. Stevenson, Arts and Sciences, BS in Social Science

Motion carried.

VII. Committee Reports

A. Trussell report on University Library Committee - No Report.
B. Stewart report on Committee on Academic Policy and Procedures (CAPP) – No report.
C. Reynolds report on Student Senate
   Senator Reynolds reported three items. 1. The Student Senate by-laws are being reviewed with regard to chairs of Student Senate committees. 2. They have allocated $48,000 to club sports. 3. The change to the new Senate members will take place on April 14th. Senator Fairchild sincerely thanked Senator Reynolds for his participation in the Faculty Senate Academic Affairs committee and said we will all miss him.
D. Trussell report on Class Attendance Policy subcommittee
   Senator Trussell contacted Ms. Hayley Urkevich of the Student Senate and was informed she is in the process of meeting with Jackie Spears and has not yet met with Provost Nellis. Ms. Urkevich will most likely meet with him after spring break.

VIII. For the Good of the University
Monty Nielsen, Registrar, requested information on the conversation during the Faculty Senate meeting regarding the proposal from the Calendar Committee on its guidelines. Faculty Senate President, Jackie Spears indicated the real issue was mostly terminology surrounding summer school. Senator Simon questioned why the deans and not the Calendar Committee govern summer school. Jackie Spears gave a brief history on why summer school is not part of the Calendar Committee and indicated she felt it should be placed back under their purview. Her hope is to create a one-page document clarifying any concerns surrounding the Calendar Committee’s guideline proposal and hopefully have it passed during the next Faculty Senate meeting.

-Jackie Spears reported she has met with the Ad-hoc committee involving the Honors constitution and by-laws and feels progress is being made in this area.

-Jackie Spears reported on LASER and the treatment of prerequisites by this software. She commented the Provost is trying to move toward making a decision with regard to this matter. It appears it is possible to either list or not list prerequisites through LASER, however, each college’s decision may affect other colleges within the university. Therefore, the possibility exists that eventually Academic Affairs could be involved in passing courses to be either listed or not listed through LASER in the hopes of alerting each college of possible impact this could have.

IX. Meeting was adjourned at 4:35 p.m.
