6. Old Business

A. Minors

The minor proposal has gone to executive committee. They suggested a few changes and the proposal has been placed on the agenda for the March 9 Senate meeting. This will be the second reading so it will probably come up for a vote at that meeting. There was some discussion of the safeguards in the proposal that minors for students who do not have a K-State degree will maintain academic standards and the appropriate bounds of modifying our programs to meet industry needs.

7. For the good of the University

Barney King announced that he is a candidate for Faculty Senate President-elect. As this would require someone else become chair of the committee, John Devore suggested we should all vote against Barney.
