   Stacee Bearden, Bachelor of Science, College of Education - Ms. Bearden had a grade change paperwork issue that held up her graduation.
   Jared Hyman, Bachelor of Science, College of Education – Mr. Hyman had a grad change paperwork issue that held up his graduation.

   **August 2008**
   John M. Quinn III, Bachelor of Science, College of Arts and Sciences
   Background: Mr. Quinn did complete his requirements; however, it appears the paperwork was not submitted to the Registrar’s Office letting them know the student completed his degree requirements. He was not aware of this until recently when he requested an official transcript for acceptance into Graduate School at Washburn. He believed the process was complete due to the fact he received his diploma with the degree.
