         CURRICULUM CHANGES
         Art
         Changes to the BA in Art. RATIONALE: The BA in Art (with concentrations in Art History and Studio Art) have already been approved by Course and Curriculum and have been in practice for a number of years. But the catalog description is not clear. This is an effort to clarify in the catalog description what the two concentrations within the degree are. (See supplemental information for further detail).
Biochemistry
Changes to the BA in Biochemistry. Add Medical Biochemistry Track. (See supplemental information for further details and rationale).

Changes to the BA in Biochemistry. (See supplemental information for further details and rationale).

4. Approve the following course and curriculum changes approved by the College of Engineering on November 1, 2012 (approval sheets sent out by Gina Leon on November 2, 2012):

**COURSE CHANGES**
*Department of Civil Engineering*
Add:
CE 202 Civil Engineering Graphics

**CURRICULUM CHANGES**
*Department of Civil Engineering*
Changes to the B.S. in Civil Engineering
Rationale: ME 212 Eng. Graphics plans to use SolidWorks software. The civil engineering industry mostly uses AutoCAD. We desire to provide exposure of this powerful engineering tool to civil engineering students.
Impact (i.e. if this impacts another unit): Civil engineering students will stop taking ME 212 offered by the Mechanical and Nuclear Engineering Department. The MNE Dept. is fully supportive of this change.
