

Minutes

FSCOT meeting of November 16, 2010 (Union 213, 3:30 PM)

Attending: Bormann, Crawford, Rintoul, Raine, Knackendoffel, Keen, Stadtlander, Grinter, Ok, Brooks-Kieffer, Molidor (via Polycom), Stafford, Willbrant.

- 1) Approval of minutes from meeting of 10/19/2010 – approved
- 2) Update on iTunes U efforts to get information – still waiting to get access to agreement prior to meeting with the Apple rep.
- 3) Update on pilot study of grant accounting information access (Willbrant) – Differences between colleges (esp. Vet Med) will present some challenges. Pilot program has sufficient volunteers; report on outcomes and suggestions to come in February.
- 4) iSIS
 - a. upgrade process – on track
 - b. user evaluation of new navigational tools – quite positive
- 5) IT security training requirement – State-mandated requirement for all faculty and staff. Two face-to-face courses to be held in December. All faculty and staff must take this in the spring semester; details from Harv Townsend to come early in spring semester.
- 6) Other –
 - a. Stafford reported on the email outage that day, where approx 7500 email accounts (including his) were unavailable from 9:30 AM - 3:30 PM. Some ongoing questions about MERIT as the vendor for our email services will be further addressed.
 - b. Rob Caffey still needs volunteers for his K-State Online Advisory Council. Send names of potential candidates to him.
