The University has purchased approximately \$160,000 worth of licenses and will be selling those to departments. License pricing is available at: <a href="http://www.k-state.edu/its/software/software-licenses/adobe/">http://www.k-state.edu/its/software/software-licenses/adobe/</a>.</p> <p>FSCOT will be meeting with representatives from the Union about ongoing changes to the computer store. Scheduled for October meeting.</p> <p>There are lingering issues with some functions of KSOL Classic not being met by Canvas. This is critical for select faculty. Update on CANVAS, 16% of fall classes are being delivered through KSOL Classic. Administrative use of CANVAS is permitted and encouraged, please contact the Helpdesk if assistance is needed.</p> <p>Sharepoint needs dedicated resources and personnel for implementation. Office OneDrive client questions, how to get and how to use?</p> <p>Windows 10 was released over the summer by Microsoft. University employees should not upgrade their computers at this time.</p> <p>iPad Pro, thanks Cisco!</p>
