Faculty Senate Committee on Technology

Minutes

May 2nd, 2017

3:30 p.m. – Room 401 Hale

Attended: Lisa Shappee, Don Crawford, Loren Wilson, Stacy Hutchinson, Andrew McKittrick, Ryan Otto, Ryan Thiele, Rob Caffey, Brett DePaola Michael Raine, Diana Blake, Robert Hachiya

- Approved Minutes from April 4<sup>th</sup> Meeting
- KSIS Update – Diana Blake
  - The faculty homepage was introduced and members were asked to help test before the upgrade went live. Faculty homepage has very few tiles to include Faculty Center, Classic Home and Quickstart Guide.
- Coordinating job classifications for central and non-central IT positions and security update – Rob Caffey
  - Central ITS and other IT Positions (for example, departmental IT Staff) were classified similar and they are not the same. Central ITS may be responsible for 20 servers vs 1 for other IT positions.
  - The CIO Search Committee met and received its charge from the President and Provost. The goal is to have a CIO in place by September 1<sup>st</sup>.
  - University is accepting applications for the position of Director of Identity, Security and Compliance. We have had 1000 compromised accounts since January. This position is very needed.
