1. Approve Minutes

- Approved Minutes from November 1st, 2016 meeting

2. Website and CMS Update – Neil Erdwien, Janelle Corkill, and Ashley Martin

- The new KSU Homepage was introduced as well as the process used to make changes. Changes were based on usability and focuses on topic rather than audience.

3. Legislative Post-Audit Report and IT Security – Rob Caffey

- There were some findings/gaps found which won't be published for security reasons. More than half have been fixed with a plan in place to address the other issues.
- A Chief Security Officer is a position that is needed at the university.
