**Description:** Enter the invoice date, invoice number, quantity, unit type, and unit price. The amount will automatically populate once the quantity and unit price have been entered. Additionally, include a brief summary of the item in the description. Multiple items/amounts can be entered to split out different purchases.

**Flags:**
Click on any of the applicable flags to further clarify expenses on the voucher.
**Trustees:**
This will show any trustee who currently has access to your voucher. You may add additional trustees as needed. Select the Recipient that will receive the Interfund. You can search by department name or the individual’s name. Select the correct person.

**Final Form:**
Select Release the Paying/Receiving side of the form for approval. This releases the document and it’s ready for approval by you or the person(s) that is set up to approve it.

**Approve Interfund:**
Select the document from your Main Menu page under Released and Pending Approval. View document and approve.
