The more you know, the easier it is to comply with established policies and procedures. This month’s Post consists of two pages in order to share procedures with which vendors must comply to all departments. Since one of Purchasing’s roles is to be impartial, guidelines are established for vendors when submitting the bids to the Purchasing Office. This way all bids are received in a timely manner and similar format for easy review and analysis. Hopefully the information will help departments understand when Purchasing must remain firm in accepting or rejecting a bid.

**BIDDERS INSTRUCTIONS**

REQUEST FOR QUOTATIONS (RFQ); INVITATIONS FOR BIDS (IFB); REQUEST FOR PROPOSALS (RFP): Bids are to be submitted only on forms provided by Kansas State University. The bid must be received in the K-State Purchasing Office, 21 Anderson Hall, Manhattan, KS, no later than the date and time scheduled for closing of the bid.

PREPARATION OF BIDS: Each bid must be legible and properly signed. Prices are to be entered in spaces provided on the bid form and stated in units of quantity specified. Mathematical extensions and totals shall be provided where required. In cases of errors in extensions or totals, the unit price will govern.

SIGNATURE OF BIDS: Each bid must give the complete mailing address of bidder and be signed by an authorized representative by original signature with his/her name and legal title typed below the signature line.

EQUIVALENT BIDS: When brand names or trade names and model numbers followed by the words “or equivalent” or “other approved equal” or “acceptable alternate” are used in the bid request, it is for the quality, style, and features. Bids on equivalent items of substantially the same quality, style, and features are invited. However, to receive consideration, such equivalent bids must be accompanied by sufficient descriptive literature and/or specifications to clearly identify the units and provide for competitive evaluation.

SAMPLES: Samples of the items, when required, must be furnished at no expense to the University, and if not destroyed in the evaluation or testing process, will be returned at the bidder’s expense, if requested.

SUBMISSION OF BIDS: Faxed or emailed bids are acceptable unless this Request is for an amount of $50,000.00 or more. Sealed bids are required for amounts totaling $50,000.00 or over. All bids shall be on the Kansas State University bid form. All emailed bids shall be sent to kspurch@k-state.edu with the bid number identified in the subject line. All faxed bids shall be sent to 785-532-5577. Under all circumstances it shall be the vendor’s responsibility to insure their bid is properly received and time-stamped by the appropriate date/time at the Kansas State University Purchasing Office.

RECEIVING BIDS: All bidding will close promptly at 2:00 pm Central Standard/Daylight Savings Time, whichever is in effect at Manhattan, KS or other designated bid opening site on the date specified in the bid request. Formal bids received prior to time of closing will be kept secure and unopened until closing time. The University will accept no responsibility for prematurely opening a bid not properly identified on outside of the container as required.

MODIFICATION OF BIDS: Written modifications of bids already submitted will be accepted by Kansas State University, if received prior to date and hour scheduled for closing of bids.
WITHDRAWAL OF BIDS: A bid may be withdrawn on written request received from the properly identified bidder prior to the date and hour scheduled for closing of bids.

ACCEPTANCE OF BIDS: Bids are invited on the basis that acceptance of the offer to furnish articles as described in the invitation shall constitute a contract between the bidder and K-State, which will bind the bidder to furnish and deliver articles for which the offer is accepted. If specifications and contents of the proposal cannot be complied with, a bidder may elect not to bid.
