Why Use eCommerce

• CASHNet is the only officially supported storefront
• Allows your customers to use credit cards for payment
• PCI compliant – CASHNet handles all of the processing of credit card information
• Money deposited directly to your provided state account
Why Use eCommerce

• Capture customer data
• Emails sent when a person completes a transaction
• Reports available showing captured data and payments
• Simplifies book keeping
• Easy to use URL such as:
  • https://commerce.cashnet.com/ARCHPD
