CALL TO ORDER

ROLL CALL
NOT PRESENT - Alpha Tau Omega, Kappa Sigma, Phi Kappa Theta, Sigma Alpha Epsilon, and Sigma Nu

ANNOUNCEMENTS AND SPEAKERS

● Michael Smoll - Sigma Tau Gamma expansion
  ● Would like to come to campus in the fall of 2014, try to make an effort to become integrated and apart of the campus rather than crashing in, they will be visiting campus for 2 months next year.
  ● Recruit men that normally wouldn’t consider being a part of a fraternity.
  ● Have over 2000+ alumni living in Kansas, have a 91 year history in Kansas (Emporia State and Pittsburg State), headquarters are only three hours away from Manhattan (Warrensburg, Missouri).
  ● Have recently added chapters at Oklahoma State, Auburn, and Alabama. Average chapter size is 38 members. Located on 68 campuses and have over 70,000 alumni.
  ● All housing is done through each individual chapter, recruitment will be done with the intent of building a solid chapter with a house in the plans for the long run.

● Matt Welch - NIC Standards
  ● Matt explained the mission of the NIC and how they are involved with different campuses.
  ● The NIC believes in open expansion – all men should be able to join fraternities and fraternities should be able to join campuses.
    ○ When adding chapters to a campus it increases the recruitment pool for the entire campus.

● Andrew Waldman - Campus safety
  ● A sorority woman got into a car that she thought was a DD and was actually not. She was robbed and mugged.
    ○ This should bring about awareness of each chapter to be responsible and know that we are supposed to be protecting the women in our community. Please ensure that all members and guests are safe at your chapter events.

Chapter Presentations

Acacia – The 4th chapter on campus, the 27th chapter of Acacia, have had three different houses during their time at K-State. Have a focus on growth, brotherhood, and service. Have been in the top quartile in grades since 2001. Waters, Willard, and Seaton Halls, and Ford Residence Hall are all named after alumni.

Theta Xi – Re-founded in 1971, have both active and new members working side by side, the national Theta Xi President is a K-State alum. Have their 150th national anniversary coming up next year. They don’t have study hours or fines and pride themselves on being well rounded men.

Lambda Chi Alpha – Have 99 members, have the longest run philanthropy on campus, have finished 2nd in intramurals the last 10 years, have a house improvement that is ongoing through their alumni association.
