- IFC Officer Review
  o Steven Coen’s ability to comply with IFC position requirements and compliance with IFC officer requirements was brought to question due to recent events at the K-State v. Kansas basketball game this past Saturday due incoherence and public drunkenness while in line for the game. A discussion and vote came before the Council of Presidents as to whether this incident would hamper Steven’s ability to fulfill his position requirements or if he should be able to continue on the Executive Council given the circumstances. After discussion, many points were made about underage drinking being “something that happens in college” and also that the Council will be “setting a precedent with this vote” and needs to handle it carefully.
    o Final Vote: FOR: 6 AGAINST: 11 ABSTAINED: 3 Motion Failed
