Resolution on Chapter Officer GPAs

In efforts to maintain a high level of academic excellence within the Kansas State University Greek Community, the Interfraternity and Panhellenic Council applauds all chapters that have minimum grade requirements for eligibility of chapter officers to apply for and maintain their positions.

The Interfraternity and Panhellenic Councils encourages any chapters that do not have grade requirements for officer eligibility to establish these requirements in order to continue the standards of scholastic excellence for the Greek Community at Kansas State University.
