

First-Year Seminars | Fall 2011

First-year students in the fall of 2011 have the opportunity to enroll in First-Year Seminar (FYS) courses. The academic content of the FYS course is the same as other sections of the course. The seminars are unique in that enrollment is offered to 22 or fewer students and limited to first-years only. Emphasis is placed on communication, critical thinking, and community building. Students benefit from a learning environment conducive to interactive learning and the application of concepts. We encourage you to recommend these courses to students you advise. Questions?
