Meetings

Conference of Latin Americanist Geographers (CLAG), May 31–June 3, Colorado Springs. All information is posted at www.coloradocollege.edu/clag07/. Abstracts for papers are being accepted until Mar 31.

International Union of Biological Sciences Symposium, May 10–12, Capital Hilton Hotel, Washington, D.C. The theme is "Biological Sciences for the 21st Century: Meeting the Challenges of Sustainable Development in an Era of Global Change. Poster abstracts may be submitted for competition for selection for poster presentation. Recognition will be given to the top posters from younger investigators. Sponsored by IUBS, as part of its 29th General Assembly, May 9–13, & hosted by the National Academy of Sciences. Further details, including the preliminary symposium schedule, abstract, & registration links are available at www7.nationalacademies.org/IUBS.

Quote of the Week

“ …interesting, but not in the classical sense of "interesting". More like the way a hungry lion thinks that the Eiffel Tower looks interesting.”

–T. Vought
