Events and Things of Note

The College of Arts and Sciences Telethon is Monday-Tuesday, 18-19 February. Mike Dulin and Dr. Deborah Che are coordinating the event on behalf of GTU and the Department of Geography. We are grateful for those students who have volunteered their time to this important fundraising event. Callers should begin arriving 4:45-5:00PM on the night you signed-up to give you time to eat and get ready for caller training to begin promptly at 5:20. We'll begin calling around 5:45pm and wrap up around 9pm. This is an earlier schedule this year, but one that was highly recommended by our past student callers. The quality of prizes is elevated this year:
