This newsletter is viewable on the department's website (www.k-state.edu/geography). Note that links found in the newsletter will work if you go to the online version.

**Presentation**

May 14  Nick Graf (Thesis Defense): “50 Years of Channel Change on a Reach of the Big Blue River, Northeast Kansas,” 9:00 am, Seaton Hall 164H.

**Events and Other Things of Note**

Max Lu was one of the six faculty members honored by the men of Lambda Chi Alpha as “an outstanding member of the university’s faculty” at a reception held on May 6.

Bimal Paul has been selected to serve an advisor for the Academy of Sciences for the Developing World (TWAS), Italy.

Mike Dulin was the recipient of the $500.00 “Parents Telefund Scholarship” for taking part in the Telefund this year. Congratulations Mike!

Student computer accounts for all geospatial technology courses offered in the Department of Geography during the Spring 2008 semester will be deleted on Wednesday, May 21. After this date, any data that is stored on your "X:" drives will be deleted (and unrecoverable) and you will be unable to login to the computers in Seaton 164L. If you want to keep your class data, please make sure to make a copy prior to May 21!

This is the last issue of *Seaton Globe* for this semester. Have a nice Summer!!!

Please contact Jeremy Aber (aber@ksu.edu) or Bimal Paul (bkp@ksu.edu) if you have items for the Globe.
