Events and Things of Note

Brandon Weihs received a Student Travel Grant from the Organizing Committee of the 40th Annual Binghamton Geomorphology Symposium. This will allow Brandon to travel to Virginia Tech in Blacksburg, VA, to participate in the symposium, 2-4 October 2009.

The Kansas Geography Conference will be held on September 19 from 9 am to about 3 pm in the Big 12 Room of the Student Union. Dr. Sarah Bednarz will be the keynote speaker at the conference. The Conference has an emphasis on K-12 geographic education and is sponsored by GTU and the Kansas Geographic Alliance.

Call for Student Papers: The editor of The Geographical Bulletin is soliciting manuscripts for upcoming issues. The Geographical Bulletin is a peer-reviewed journal whose primary mission is to provide an outlet for undergraduate and graduate student articles. Non-student submissions are also welcome. Many students who have gone on to graduate school in geography and related fields have had their first professional publication appear in the Geographical Bulletin. To foster and encourage student publication, a "Best Student Paper" award with a monetary prize is awarded each year to the best paper authored by students. Students who are completing original research through a senior thesis, masters' thesis, Ph.D dissertation, or similar project, are encouraged to submit the results of their research in article form for publication. For a style sheet, visit GTU's website www.gammathetaupsilon.org. For further information, contact Steven M.
