

The Seaton Globe

Kansas State University

Department of Geography

September 21, 2009

This newsletter is viewable on the department's website (www.k-state.edu/geography). Past issues are also posted.

Presentation

Sep 18

Ramatoulaye Ndaiye: "GIScience Contributions to Understanding Salt Affected Soils in the Senegal River Valley," Ph.D. Defense, 1:30 pm. Seaton 164H.

Conference Presentation

Richard Marston presented a talk at the Soil and Water Conservation Society Conference on Reservoir Sedimentation in Kansas City on 16 September. The title of his talk, coauthored with Ben Meade and **Mark Gossard**, was "Spatial Extent, Timing, and Causes of Channel Incision, Black Vermillion Watershed, Northeast Kansas."

Events and Things of Note

Kevin Blake has agreed to serve on the Book Selection Subcommittee of the University Reading Program, a newly developing reading program administered through the K-State Libraries.

Here is the schedule for Geography Colloquia this semester and beyond, as best we know it at this time:

Friday, 23 October, 3:30pm, 132 Seaton, Dr. Steven Kale (SR Kale Consulting): "Regional and Local Social Movements toward Renewable Energy Development and Energy Self-Sufficiency in Marginal Areas of the Pacific Northwest."
