Use this form if you are interested in becoming a permanent member of Gamma Theta Upsilon, the International Geography Honor Society, and a member of the Beta Psi Chapter at Kansas State University.

http://www.k-state.edu/geography/gtu/

**Membership Requirements:** Initiates for regular membership must have completed a minimum of 3 geography courses, have a B average in geography, must rank in the upper 35% of their class, and shall have completed at least 3 semesters or 5 quarters of college course work. You may apply for membership at any time.

**Transfer Students:** If any of your geography courses were taken at another institution, please enclose a photocopy of your transcript.

**Note:** Please provide a permanent mailing address and non-KSU email address if available; the national GTU office wants contact information that will be valid for several years.

Name: _________________________________________________________ Date: _________________________

K-State Address: ______________________________________________________________________________

Permanent Address:  _________________________________________________________________________

Email 1: ______________________________________ Email 2: _______________________________________

Phone: _________________________________________________

Anticipated Graduation Date: ________________________

Once your membership requirements have been verified by GTU’s faculty advisor, you will receive an acceptance letter which will include a form for paying your $50 total dues for membership. This includes a $40 lifetime national membership fee and a $10 annual local chapter fee (for the current academic year). Formal initiation is observed at the annual banquet during the spring semester.

Please return this form in a sealed envelope to the current GTU President or place in the GTU mailbox in the geography department office.
