Minutes of the Graduate Council  
February 5, 2002  
As approved by the Graduate Council, March 5, 2002

Members absent: G. Bailey, A. Barkley (sabbatical), T. Bolton, A. Brightman, G. Eiselein, M. Hossain, R. Trewyn, D. Troyer

Graduate School staff present: J. Barnhart, B. McGaughey, C. Shanklin

Guests: David Dzewaltowski, Mary McElroy

The meeting was called to order by Dean Trewyn at 3:35 p.m. in Room 213, Student Union.

1. Opening Remarks.

Ron Trewyn and Jim Guikema are in Washington, DC this week to secure research funding.

2. Minutes. The minutes of the December 4, 2001 were approved as presented.

3. Graduate School Actions and Announcements
   a. Appointments for Graduate Faculty Membership

b. Course and curriculum changes:

The Graduate Council Academic Affairs Committee (GCAAC) moved the approval of the proposed courses:

**Change:**
- AT 820 Thermal and Barrier Properties of Textiles
- AP 778 Respiratory Function in Health and Disease
- AP 860 Neuroscience
- RRES 756 Design of Parks and Recreation Areas

**New:**
- CS 871 Fundamentals of Feedlot Health and Management

and conditional approval of the proposed courses:

**Change:**
- AT 725 Theory and Practice of Apparel/Textile Marketing and Distribution
- AT 835 Strategic Economic Analysis of Apparel and Textile Industries
- AT 845 Consumers in the Apparel and Textile Market

**New:**
- AT 740 Apparel and Textile Self-Employment Strategies
- AT 830 Fashion Theory
- AT 840 Apparel and Textile Product Development

The conditional approval is dependent upon agreement by appropriate Departments/Programs and College Course and Curriculum Committees to the title, description or prerequisites changes recommended by the GCAAC. Further, Graduate Council requests the Associate Dean hold the conditionally approved courses back and convey them on to the Faculty Senates Academic Affairs Committee only after receiving such lower-level concurrence.

At the request of program director, WOMST 610 will be tabled until additional corrections are made at the program level. This course will be re-submitted at a future date.
The motion passed.

Following are the course changes, deletions, and/or addition details.

(Approved courses):

historical, sociological, psychological, marketing, and economic concepts,
theories, and research that contribute to current understanding of the
fashion process and fashion prediction in the apparel and textile field. Pr.: 
AT 525 or permission of instructor.

v. **AT 840. Apparel and Textile Product Development.** (3) I, in alternate
years. Interdisciplinary teams generate ideas and develop concepts for
innovative apparel and textile products or modifications of existing
products; evaluate market and manufacturing potential; prepare marketing
and technology transfer plan. Pr.: AT 645 or permission of instructor.

vi. b - item iv) **New Graduate Certificate**

vii. The Graduate Council Academic Affairs Committee made a motion to
approve the proposed graduate Certificate Program in Feedlot Production
Management. Motion passed.

viii. b - item v) **New Graduate Degree**

ix. Ken Brooks, chair pro tem of the Graduate Council Academic Affairs
Committee, made a motion approve the proposal for the Master of Public
Health degree.

x. Dr. David Dzewaltowski (Kinesiology department head) and Mary
McElroy (Kinesiology graduate faculty) were present to answer questions
by the committee and Council members. Dr. Dzewaltowski explained the
proposed degree was structured in collaboration with the national
governing body collaboration. Its purpose is to compliment not compete
with MPH degrees at KU and WSU.

xi. Following discussion, motion to approve the Master of Public Health
degree passed (vote: Yes-24, No-1).

5. **Graduate Student Affairs Committee**

Gerard Kluitenberg presented the committee's motion for the second reading to revise the
Graduate Handbook concerning the outside chair in Chapter 3, Section L, the first
paragraph.

Chapter 3 - The Doctoral Degree
Section L. Final Examination
first paragraph:
When the student is admitted to candidacy, the Dean of the Graduate School appoints an
examining committee, which consists of the supervisory committee and a member of the
graduate faculty, not on the supervisory committee, who serves as chairperson for the
final oral examination.

Lori Bergen made a motion to substitute a friendly amendment to the proposed second
reading (handout distributed). The motion was seconded. Following discussion, the
second reading of the proposed change to the Graduate Handbook, Chapter 3, Section L, the first paragraph was approved to read:

When the student is admitted to candidacy, the Dean of the Graduate School appoints an examining committee. This committee consists of the supervisory committee and a member of the graduate faculty, not on the supervisory committee. The additional member serves as chair for the final oral examination.

The substitute reading of the Graduate Handbook, Chapter 3, Section L, the first paragraph as revised was approved.

The Outside Chair working group met with Graduate School staff to revise correspondence to the doctoral candidate, supervisory committee members, and the outside chair. The survey completed by the chair of the examining committee was modified to eliminate reference to when they were contacted relative to their role on supervisory committee. This is now consistent with the above revision to the Graduate Handbook.

The Graduate Honor Code working group continues to their work. There is no further report at this time.

6. Graduate School Committee on Planning

The first reading was presented at the December Graduate Council meeting. Graduate Council members made several suggestions, which have been incorporated. Ernie Minton presented the committee's proposal with the revision suggestions for a second reading for the change to Chapter 5, Section D.3 of the Graduate Handbook:

Chapter 5 - The Graduate Faculty
Section D.3 - Adjunct Professors
An adjunct faculty member is one who contributes to the University's educational efforts through a courtesy appointment without regular compensation. Individuals may become adjunct members of the faculty by a process defined in the Faculty Handbook. Departments or graduate programs may deem it advantageous to include adjunct faculty as members of their graduate faculties, and may nominate adjunct faculty to be considered for admission to the Graduate Faculty according to procedures outlined elsewhere in the Graduate Handbook.

Motion was unanimously passed.

7. Graduate Student Council Information

Sara Fisher, vice president, expressed the need for 12 graduate faculty judges at the Graduate Research Forum, April 19, 2002, from 1:30 - 5:30 p.m.
"Call for Papers" information was distributed to Council members. Deadline to receive proposals is March 1, 2002.

8. University Research and Scholarship

No items were presented.

9. Other business

GRE test volumes informational handout had been distributed. Test volumes for international students

On-line survey administration by KSU students, faculty and staff was distributed.

Council was adjourned at 4:00 p.m.
