Student's Name: _____

Wildcat ID Number (WID): _____

If a student received less than 3.0 in a course, the student may retake the course with approval of the major professor and the supervisory committee. If the course is retaken by the direction of the major professor and the supervisory committee, the original grade is noted as retaken and removed from the grade point average. The retake grade will always be used in computing the grade point average regardless of whether it is higher or lower than the original grade. A student may retake a course with subsequent removal of the prior grade only once for each course and for a total of two courses in the program of study. An approved program of study must be on file in the Graduate School at the time the retake request is submitted.

Retake requests must be made prior to enrolling in the course.
